The annual meeting of the Theodore Roosevelt Post, Number 30, of the American Legion, was held at the Colored Commercial Club Rooms last Friday night. The following officers were elected:

E. W. Killingsworth, commander; James Bell, first vice-commander; Willis B. Davis, second vice-commander; R. L. Williams, adjutant; Clarence Gordon, treasurer, and Rev. C. H. Trusty, D. D., chaplain.

In addition to the foregoing officers there were elected to serve upon the executive committee the following persons:

Dr. W. W. Peebles, Leonard Ross, Earl Wheeler, R. C. Long, Metz Manion, T. T. McNeil, H. J. Pinkett, Dr. Amos Madison, and Dr. Price Terrell. The regular meeting of the Legion will be held next Friday night at the Colored Commercial Club rooms, when an outline of the work for the coming year will be presented.

CLERKS IN STEWART'S SEED SHOP

Stewart's Seed and Flower Shop, on Sixteenth street opposite the Postoffice is one of the very few stores that has for a long time given employment to colored people in a clerical capacity, as well as in other departments. For many years Miss Irene Cochran was employed by the Stewart's and it was a pleasant sight to see her with the other employees waiting upon customers. Miss Gertrude Dysart has been employed in the same capacity for the past two years. A representative of the Monitor was in the store Tuesday for a few minutes and noticed three or four customers, among the foremost white ladies of the city, who without the slightest hesitation and as a matter of course went to Miss Dysart for their purchases and were courteously waited on by her. The Monitor asked Miss Dysart if customers ever resented her waiting on them. She replied that occasionally, and that quite rarely, some customer, generally of the poorer class, declined to have her wait on them. Mr. Charles Stewart said, "Many of our best customers seem to prefer to have Gertrude wait on them."

What Stewart's Seed and Flower Shop does, other stores which enjoy a good patronage of the best people could do, if they only had the moral courage to do it, and that is give work to clerks and saleswomen to some of our capable and courteous young women.

OMAHA BANCH OF THE N. A. A. C. P. ELECTS OFFICERS

The Omaha Branch of the National Association for the Advancement of Colored People met Sunday afternoon at the North Side Branch of the Y. W. C. A. at 4 o'clock for the election for the ensuing year. The following officers were chosen: Rev. John Albert Williams, president; Milton L. Hunter, vice-president; the Rev. Russell Taylor, secretary and H. L. Anderson, treasurer. The five following persons were elected members of the executive committee: Henry W. Black, Rev. J. A. Harris, Mrs. W. W. Peebles, W. N. McAllister and William Hall, leaving four vacancies on the executive committee to be filled later.

THE EXECUTIVE COMMITTEE MET MONDAY NIGHT AT THE COLORED COMMERCIAL CLUB AND ORGANIZED BY THE ELECTION OF HENRY W. BLACK AS CHAIRMAN.

Chairmen of committees were also chosen as follows: Membership, Rev. J. A. Harris; Press and Publicity, Rev. Russell Taylor; Meetings, Mrs. W. W. Peebles; Grievance, W. N. McAllister. The election of chairmen of the Legal Redress Committee and Education were deferred. It was decided to hold a mass meeting at an early date in December to raise money for the \$50,000 Legal Defense Fund that the National office needs for the Sweet defense, the anti-segregation cases and like matters which are demanding attention.

WORKERS' COMMUNITY ASSOCIATION

The Workers' Community Association is persistently calling to service men and women of the working class in Omaha and vicinity.

We are organized, not to fight other racial, or any other group or groups, or individuals, but organized to study our Industrial, Social, Political, and Economic rights. We realize the seriousness of the affair and we have dedicated our all in all to the cause. We know that out of this organization will come a new era, and when that day comes we the working-class must be prepared to present the right man at the right hour to champion our cause, hence we are calling for the unorganized men and women to organize.

Mr. Walter L. Seals, twenty years an employee in the department of Agriculture will address the Workers Community Association on Tuesday night, Nov. 24th in K. P. Hall, north 24th and Burdette streets. Subject, "Essentials of organization."

Milton L. Hunter, organizer.

ATTY. W. C. MATTHEWS PAYS OMAHA A BRIEF VISIT

Attorney William C. Matthews of Boston, Mass., recently appointed special assistant to the United States Attorney General, enroute to the east from Lincoln, Nebr., where he had been sent on official business for the government, spent a few busy hours in Omaha last Wednesday. Arriving shortly before 4 o'clock, he was taken to the Colored Commercial Club rooms where he addressed a gathering of business and professional men hastily summoned for the occasion. Doubtless, many others would have been present had not their business and other engagements prevented or had a longer notice been given. It was not until after 2 o'clock Wednesday when an effort to reach several persons by telephone for this meeting at 4 o'clock was made. Upon such short notice it was impossible for many to be present who would like to have been.

Mr. Matthews, who is close to the administration, having headed the national Colored Republican campaign bureau, which was handled so successfully made a favorable impression by his clear statements concerning the administration policy towards our people which is causing much impatience. The sum total of his remarks was that Coolidge is fundamentally sound touching the claims of all American citizens and is moving as rapidly in the amelioration of conditions affecting our own group as the situation will permit. Mr. Matthews left shortly after midnight for Washington.

COLORED DOCTORS VOTE TO HELP \$50,000 FUND

New York.—Dr. W. G. Alexander, of Orange, N. J., President-elect of the National Medical Association, has informed that the colored doctors have unanimously voted to ask their entire membership to contribute to the \$50,000 Legal Defense Fund being raised by the N. A. A. C. P. This action has come about not only by reason of the defense of Dr. O. H. Sweet in Detroit, undertaken by the N. A. A. C. P. but inasmuch as many of the victims of mob attempts at segregation have been colored doctors of standing. On Oct. 25, a group of seven doctors met at the home of Dr. J. P. Turner, in Philadelphia, the group, besides Dr. Alexander, including: Dr. G. W. Bowles, York, Pa., chairman of the Executive Committee of the National Medical Association; Dr. J. P. Turner, chairman of the Ways and Means Committee; Dr. E. C. Brown, Washington, D. C., representing Dr. Clyde Donnell, General Secretary N. M. A.; Dr. C. P. McClendon, New Rochelle, N. Y., Assistant Secretary; and Dr. R. M. Fowler, Atlantic City.

Dr. R. C. Brown was designated secretary. The seven doctors decided to place the matter of assisting the N. A. A. C. P. Legal Defense Fund by establishing at once a fund of \$5,000, and that a general committee be appointed, to solicit and collect the fund. This plan has now received the unanimous endorsement of the Executive Board of the N. M. A.

A disbursing committee has been nominated to cooperate with the N. A. A. C. P. as follows: Dr. W. G. Alexander, New Jersey; Dr. C. P. McClendon, New York; Dr. R. M. Fowler, New Jersey; Dr. G. W. Bowles and Dr. J. P. Turner of Pennsylvania. Dr. E. P. Roberts of New York has been nominated for treasurer of the fund.

HIGH SCHOOL GRID MAN STARS

York, Nebr.—(By the Associated Negro Press) Great preparations are being made by the high school of this town for Fremont which plays here Saturday. The cause of concern is Jack Herndon, half-back on the Fremont team, who this year has brought about the defeat of every team, except Omaha Central, which Fremont has played. It is said to be the finest open field runner in the state.

WOMAN CONFESSES LIE

Chicago, Ill.—(By the Associated Negro Press) Mrs. Ruth Irene Davis, white, cashier in an exclusive restaurant, was placed on probation for a year in municipal court here, when she confessed that she and not a colored bandit had stolen \$87 from the cash register. She claimed that she took the money to support her 5-year old daughter.

Liberia On The Lap of The Gods

Liberia, after all these years, may be the means of helping to eradicate some of the evils of American color prejudice. Hard upon the announcement that the Firestones are to spend \$100,000,000 in the little African republic developing rubber, comes the announcement from the Phelps-Stokes Fund of an immediate co-operative program in education, health, and general welfare development. It is announced that the welfare will dovetail in with the commercial and agricultural. The Associated Negro Press, some weeks ago, gave a forecast of this fact. Time may come when it will be as popular for Colored Americans to be seeking passports to Liberia as it is for White Americans today seeking passage to Florida. With the immigration law on, and Negro labor at a premium, perhaps economic white America will wake up and say: "Let's stop our foolish race hatred."

OLD LAW PUTS WHOLE TOWN IN DANGER OF ILL

New Brunswick, N. J.—(By the Associated Negro Press) Between 7,000 and 10,000 residents of Middlesex County had their names handed to Prosecutor Joseph E. Stricker here Monday as law violators. Anyone who walked anywhere Sunday except to church, who bought a newspaper, tobacco, meals, trolley rides, gasoline, or, in fact anything else, is eligible to appear on the list of offenders. So, too, are those who sold anything. The law under which the offenses were committed is known as the vice and immorality act, passed in colonial times and lately forgotten except by blue law advocates who unearthed it to force the closing of theaters on Sunday.

Rare Snake Found

Vermilion, S. D.—A small snake, red striped, uncovered in a Vermillion street when excavation was being done for the laying of water pipes, was pronounced a western milk snake, a species exceedingly rare in this section. It is only the fifth specimen of the kind to be found in the state, according to Mr. Ovr, who says it is nonpoisonous.

Tosses Baby From Fire

Stoughton.—Tossed by his mother from the second-story window of their burning cottage to the outstretched arms of his father on the ground below, two-year-old Herbert Carney of 43 Emerson street, South Boston, was the only one to escape injuries when fire destroyed their summer home on the shore of Glen Echo lake, forcing seven vacationists to leap from upper windows.

Schools for Doughboys

New York.—Special preparatory schools for enlisted men of the army seeking appointment to West Point from the ranks will be established by Major General Charles P. Summerall at Fort Totten, L. I. and Madison barracks, near Watertown, N. Y.

Weds Third Time at 75

Denver.—Police Judge John W. Kimmel of Arapahoe, Neb., seventy-five, a great-grandfather, and Mrs. Mary D. Love, seventy-four, a grandmother, were married here the other day. The wedding was the third for each.
