HAYDENS

In Hayden's February Furniture Sale you can
Declare Your Own Dividends

The merchant who pays cash gets a trade discount equivalent to interest on the amount of his bill for the time stated in the terms of his order. When you pay cash, you are entitled to the same benefit. Do you always get it?

Cash purchasing has the twofold advantage of securing low original costs and of trade discounts; bringing the merchandise cost to a minimum. Cash selling eliminates bookkeeping, billing and collection expenses as well as credit losses and thereby lessens selling expenses.

These savings are taken into consideration when Hayden's Cash Prices are fixed. You are rewarded for paying cash with such savings as only a cash-operated store can offer you. These savings are your rightful dividends.
