terprise live—that I have received bills and accounts from the Editor and am ready to receive your remittances at any time. Now, please be honest with yourselves and the one who tries to give you news at all times when he can.

Pay up the best you can, and not try to discourage by saying "I don't see that paper; I don't read it, or I told you to stop it." You are not doing yourself justice or the Editorial staff, or your race in general. We ask your co-operation.—W. W. Mosby, Lincoln Correspondent.

One of the easy ways for a married man to burn the candle at both ends is to run across an old flame.

He that diligently seeketh good procureth favor, but he that seeketh mischief, it shall come unto him.

A man likes to have it said that his baby looks like him, but he gets angry if told he resembles the baby.

Most women make most of their looks, but it takes a great deal of time and material.

Enlightened minds and sympathetic hearts are the hope of the world.

Whoso hateth instruction loveth knowledge; but he that hateth reproof is brutish.

The Lake Theatre

After running the Lake Theater as a race enterprise for six months I am fully convinced that it is not wanted. However, it is a pleasure at this time to publicly thank the loyal patrons that helped me to try and put it over.

Saturday night, May 1, I will close at the same time wishing the other fellow more patronage and lasting success.
