**HENRY M. EATON FOR COUNTY SUPERINTENDENT**

**Any position which affects the educational system of the hamlet, city, county or state is important. Such positions should be filled with competent, fair-minded and broad-minded people. The position of County Superintendent of Education should not therefore be overlooked. His work is the supervision of all schools in Douglas county outside of Omaha. The present incumbent, Henry M. Eaton, who is closing his first is a candidate for nomination for a second term. Mr. Eaton has given entire**

**satisfaction during his term of office. He has been engaged in educational work for over forty years and naturally knows the educational game. We have known Mr. Eaton personally for some years, as a high class, cultured Christian gentleman, who believes in a square deal for all men. The Monitor heartily endorses Henry M. **Democratic Candidate for the Nomination of Lieutenant Governor at the Primary Election, August 10.**

**INTRODUCTION AND PLATFORM**

**Was born and raised on an Illinois farm and all my life have been interested directly or indirectly in agricultural pursuits. More than forty years a resident of Nuckolls County. All my life have been a firm believer in Jefferson Democracy: "Equality before the law." Consequently, am absolutely opposed to any organization, secret or otherwise, that would make race or creed a test for American citizenship, excepting where our laws make such distinction. I believe all laws should be strictly enforced without fear or favor. Served eleven years as County Judge in Nuckolls County—never meeting defeat for that office. During the late war served without fear or favor in the double capacity of County Food Administrator and County Draft Agent. If nominated and elected you are assured of like efficient service.**

He has consented to give us a visit while in this section and address us on the above mentioned subject. Dr. Penn traveled with Mr. Douglass in Virginia on lecture tours from 1892 to 1894, and is prepared to give much information of a real nature and value about this great man. The lecture is inspiring and witty. Come and let us have a great evening together, you will never regret it. Don't forget the time and place, Grove M. E. church at 22nd and Seward streets.**
