ARTICLE XIV. CONSTITUTION OF THE UNITED STATES

Citizenship Rights Not to Be Abridged

1. All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any state deprive any person of life, liberty, or property without due process of law, nor deny to any person within its jurisdiction the equal protection of the laws.

OUR RACE CANDIDATES

Do not overlook the fact that we have two candidates of our race who are running for the State Legislature, Dr. John A. Singleton in the Ninth and F. L. Barnett in the Tenth Legislative Districts. Both candidates are in strong republican districts and if the republican voters will be on the square with as they ought to be they will be elected. Let us who are in their respective districts see to it that we vote unitedly for these candidates. For whomsoever else you may vote for other offices if you live in the Ninth district don't fail to vote for Singleton and if you are in the Tenth don't fail to vote for Barnett.

"THAT WAS ONLY PROPAGANDA"

Many of those who were denouncing Charles McDonald, whom they avowed, according to their certain knowledge, belonged to the Klan, and that any colored man who would vote for him at the primaries was "a traitor to his race and ought to be ostracised," but who are now boosting for him, are saying "Oh, that was only propaganda." Well, there's an old Latin motto which reads "falsus in uno, falsus in omnibus," which means he who is false in one thing is false in all things. This may be more freely rendered in the parlance of the day, he who will lie once, will lie again.

BE FAIR WITH BAUMAN

Otto J. Bauman, the present County Treasurer, is candidate for re-election. He has made a most efficient and capable public official. Moreover, he has played absolutely fair with the colored people of Douglas county by appointing Orlo South, a competent colored young man to a clerkship in his office. When a democrat of the high type of Otto Bauman plays fair with our people, who are so largely republicans, and gives us the recognition we ask, is it not only fair that we should play fair with him and give him our support? The Monitor is for Otto J. Bauman for County Treasurer because he has made a good official and has been absolutely square with our people. Let us be fair with Bauman.

CONGRATULATIONS, GIRLS

The Misses Evelyn and Inez Battles are to be congratulated upon receiving scholarships from the Elks Educational Fund. The scholarships are worthy bestowed. The first Omaha recipients are graduates of Central High school, and are girls of good intellectual ability and fine character. Other worthy students will no doubt in time be chosen for like assistance in securing an education. The I. B. P. O. E. W. are rendering invaluable service to the race and humanity by the establishment of this scholarship fund. The Elks have set a worthy example

that should be and no doubt will be emulated by other fraternal organizations.

BOARD OF EDUCATION

Seven members are to be elected to the Board of Education. Don't overlook the importance of this election. We should see to it, so far as we can, that we give our vote only to such persons as will pledge themselves to see to it that our people are given representation on the teaching staff of this city.

EVER LOYAL CLUB

The Ever Loyal club, composed of the young matrons of the Pilgrim Baptist church, held its regular weekly meeting Wednesday night at the home of Mrs. L. H. Wynn, 2626 Seward street, at which time final reports of the Old Maid's convention, recently held by the club were made. This effort proved to be quite a success, for which they are indebted both to the members of the church and the public at large. Mrs. Mabel Mills, supervisor of the club, who has just returned from an extended trip through the south was present and reported a very pleasant time. Mrs. Mills attended the National Baptist convention at Fort Worth, Texas, the Evergreen association and the Tuskegee institute in Alabama, and many other points of interest.

You Need Frigidaire in Winter as Well as Summer

WINTER weather is never a safe substitute for refrigeration. Even in zero weather, indoor temperatures frequently rise above the point at which food can be kept without risk of spoiling. Even outdoor winter temperatures often reach the danger point.

But the temperature of Frigidaire is a safe temperature the coldest day in winter or the hottest day in summer. Foods come out of the Frigidaire cabinet as fresh, wholesome and appetizing as when you put them there.

\$170 up

is the price of the Frigidaire mechanism for converting ice-boxes. Frigidaire cabinet models are priced as low as \$245. All prices f. o. b., Dayton.

You have no more ice cards to remember—no more need to stay at home until ice has been delivered. You have automatic, dependable refrigeration every day in the year.

New models now make it possible for you to have Frigidaire complete with cabinet at a new, low price. Or, if you now have a good ice-box, it can be converted into Frigidaire easily and inexpensively. The greatly increased production of Frigidaire assures prompt delivery—and payment may be arranged on convenient terms.

STATE AUDITOR

Candidate for election to the position of State Auditor of Nebraska, as the nominee on the democratic ticket. He filled this position from 1915 to 1919, and in 1923-4 served as State Tax Commissioner. In 1913 he was a member of the State Senate, and in 1909 and 1911 was Secretary of the Senate. For almost thirty years his home has been at Seward, where he publishes the Seward Independent-Democrat.

The duties of the State Auditor, in part, are similar to those of the County Board and the County Clerk combined in the various counties, in that the Auditor passes on all claims against the state and issues the warrants in payment thereof. During his former term the total amount of claims paid annually was about \$6,000,000, or \$500,000 per month, while at the present time the claims total about \$15,000,000 annually.

If his administration of public affairs has been satisfactory to you in the past, and if you think he can be of service to the state as Auditor during the next two years, he will show his appreciation by giving faithful service in exchange for your support.
