AN IMPORTANT WORD TO SUBSCRIBERS.

The postal regulations require that for newspapers to be sent through the mails subscriptions must be paid in advance. A reasonable time, thirty days, is allowed for renewals. At the expiration of this period, where subscriptions are not renewed, the paper must be stopped. If this is not done, postal privileges are denied the publication. Those, therefore, who desire to continue receiving The Monitor must see to it that their subscriptions are paid, as the law requires, in advance. Statements are being sent to all those who owe, or our collector will call—and unless your subscription is paid we will be compelled to cut off your paper which, of course, we do not want to do.

We, as publishers, MUST comply with the law or pay the penalty.

SOLOMON FOR COMMISSIONER

Charles J. Solomon has filed for city commissioner. Now let us all unite solidly for him. He is a clean, capable and upstanding man. No one can have any valid excuse for failing to support him. It is to be hoped that no one else of our group may be induced to file for this nomination and divide our forces. Solomon has filed, let us unitedly support him.

MEETS THE TEST

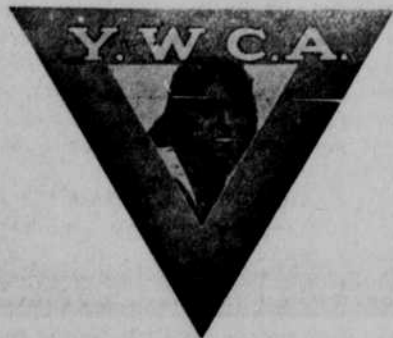

The admission of the Victory Life Insurance company into New York is a distinct business triumph for the race and indicates that we are gradually making progress in a rather difficult field. That only four companies have been able to qualify, for the state within twenty years shows the high standard required. That a Negro company should be the fifth to qualify is cause for congratulation and encouragement.

TURNING THE TABLES

It is not an uncommon occurrence for some white man to file a petition for divorce from his comely wife, upon the ground that she has African blood in her veins and had concealed this fact from her hitherto adoring and apparently satisfied spouse. But the Negro will not be outdone. One, a resident of California, who has been married, and, presumably, happily married, for eighteen years has just discovered that his wife, instead of being colored, as he supposed, is white, and he is therefore suing for divorce. Such cases are exceedingly rare.

As a matter of fact, there is a vast deal of nonsense about this question of race

and blood in the United States. Unfortunately, the "superior race" has so mingled its blood with the "inferior race," that it is not easy to tell in many cases just who is "white" and who is "colored." Where people have been honorably married and lived together for many years, true to their marriage vows, in our opinion, this matter of a few drops of blood does not justify separation.

GIRLS OF NORTH SIDE BRANCH, Y. W. C. A., ENJOY STATE CONFERENCE

A group of sixteen from the North Side Branch, Young Women's Christian Association, was numbered among the large delegation that attended the High School Girl Reserve State conference, which convened in this city, February 25th, 26th, and 27th, at the Central Y. W. C. A.

Friday evening was the opening of the conference, a grand party, where everybody became acquainted. The program for Saturday began with a lovely hour of worship. During this time, Miss Louise Hatch, the former Girl Reserve executive of Omaha, addressed the conference, and two musical numbers were sung by the Misses Lucy Mae Stamps, Louise Fletcher, Josephine Martin, Ollie Mattison, Nancy Pharr, Helen Lancaster, Louise Scott and Hazel Gray, the double quartet from the North Side "Y". Throughout the day, different discussion groups were held, which proved quite helpful. A wonderful banquet held at the Ad-Sel restaurant at six o'clock Saturday evening closed the day's program. More than five hundred

Girl Reserves and their friends attended this affair.

A very beautiful church service Sunday morning at the First Presbyterian church marked the close of the conference. The processional of nearly two hundred Girl Reserves was a sight to behold.

To end the joyfulness of this event, a Girl Reserve radio program was broadcast from the station KOIL, when the double quartet from the North Side "Y" rendered three lovely musical numbers.

Practice Good Health With the Girl Reserves

Good health is a matter of choice. Only plain, wholesome foods should be eaten. Over-eating and stimulants avoided. Drink plenty of water, nature's remedy.

Have plenty of fresh air in the bedroom.

Eight to nine hours of sleep every night.

Always breathe deeply in the open air.

Look to the cleanliness of body and mind.

Take regular outdoor exercise.

Heed sanitation, sobriety, and safety first.

ONE OF HARTMAN'S GENIAL SALESMEN

Another of the salesmen who make trading so pleasant at the Hartman Furniture company's store is John Kemp, whose picture we are showing with this article. John has been with Hartman's a long time and has built up a steady and increasing following in the community. He asks his friends to come in now and see him and to send in any of their friends who may be in the market now or later for home furnishings of any kind.

John Kemp

Knowing Mr. Kemp as we do, and knowing what splendid treatment he has accorded us all, The Monitor heartily recommends that our readers look him up at Hartman's, 413 South Sixteenth street, when they are looking for furniture.
