AN IMPORTANT WORD TO SUBSCRIBERS.

The postal regulations require that for newspapers to be sent through the mails subscriptions must be paid in advance. A reasonable time, thirty days, is allowed for renewals. At the expiration of this period, where subscriptions are not renewed, the paper must be stopped. If this is not done, postal privileges are denied the publication. Those, therefore, who desire to continue receiving The Monitor must see to it that their subscriptions are paid, as the law requires, in advance. Statements are being sent to all those who owe, or our collector will call—and unless your subscription is paid we will be compelled to cut off your paper which, of course, we do not want to do.

We, as publishers, MUST comply with the law or pay the penalty.

EXPLANATION, PLEASE

Supporters of the "Citizens' (Civic Alliance) Ticket" vociferously and indignantly denied that the Ku Klux Klan was backing that slate. They felt very much hurt and aggrieved that such a charge should be made. One of the candidates publicly expressed himself as "surprised that the editor of The Monitor, a gentleman whom we all highly esteem, should publish on the front page of his newspaper an editorial like this" (referring to our editorial of last week) making such a charge.

Will those who denied the charge explain these returns from two of the wards which are known to be Klan strongholds, the First and Twelfth?

First Ward	
Citizens' Slate	25,160
Square Seven	18,908
Twelfth Ward	
Citizens' Slate	15,183
Square Seven	8,247

The western precincts of the Tenth reveal relatively like returns.

"Can such things be and overcome us like a summer cloud without our special wonder" as just how this can be explained?

Explanation, please.

KEEP IT UP

For the first time for many, many moons, the colored vote in this city was practically united and voted solidly. May this become a fixed habit and we will get somewhere.

"A ROLAND FOR AN OLIVER"

While the First Ward gave the Klan slate a majority of 6,252 and the Twelfth Ward one of 6,936, the anti-Klan Second Ward gave the Square Seven a majority of 9,518 and the Third, a majority of 8,193. Two Klan wards gave their slate a total majority of 13,188, two anti Klan wards gave their slate a total majority of 17,711.

HAYES HONORS MOTHER

What a beautiful tribute to the memory of a self-sacrificing mother, as all true mothers are, is the building of a memorial to his mother by the gifted tenor, Roland Hayes. And how

first musical recital at Temple theatre, Monday night, at which an appreciative crowd was in attendance. It is said Miss Ross scored abundant applause from her hearers.

Misses Gertrude Jones and Alberta Brown, former students of the University of Nebraska, but now residents of Chicago, are the house guests of Mrs. Wyatt Williams.

The young ladies have been the honorees at a number of elaborate social functions. Mrs. Williams honored the ladies with a six-course dinner Sunday. Covers were laid for fourteen. The guests were: Miss Agnes Thomas, Mr. Ray Holcomb, Miss Valerie Crews and Mr. Marcellus H. Richie, Miss Francis Hill and Mr. Stanley Madison, Miss Maxine Holmes and Burt Newton, Miss Alberta Saunders, Milton Bledsoe, Wendell Willis and Harold Adams. Dinner was called at 1:30, and the rest of the afternoon was spent informally.

Mrs. M. C. Knight is visiting in Kansas City, Mo., this week.

Sunday was men's day at Quinn Chapel charge, and the program as scheduled was well carried out, and is said to have been good.

Mr. A. B. Matthews of Omaha, Rt. W. G. Lecturer of the Masons of Nebraska, made his annual official visit to Lebanon Lodge No. 3, A. F. and A. M., last Tuesday night. Quite a number of Master Masons were out, and accorded him welcome. He gave a most interesting lecture on Masonry.

Next Sunday, May 8th, is Mother's Day. Every person should think of Mother, living or passed on.

A Mother and Daughter banquet will be given by the Sunday School at Mt. Zion Baptist church, Monday evening, May 9th. Mother, get a daughter, Daughter, get a mother—and be on hand.

Will all good thinking subscribers see me about your paper, and oblige
WILLIS W. MOSELY.
