NEBRASKA DEPUTY HAS RETURNED FROM SUPREME COUNCIL

Nate Hunter, Nebraska deputy, returned last Thursday from Indianapolis where he attended the 46th annual session of the United Supreme Council of the 33rd and last degree of Ancient and Accepted Scottish Rite of Free Masonry, Prince Hall affiliation for the northern Masonic jurisdiction of the U. S. A.

The session was largely attended and one of the best in the history of the Supreme Council. The allocation of the M. P. Sovereign Grand Commander, Dr. Sumner A. Furniss, of Indianapolis, was

a masterful document, which dealt not only with the organization but with the race at large, and urged upon the body the responsibility which its national membership owes not only to the Masonic organization but to the race generally.

The council voted its annual allowance for scholarships to the most worthy boys or girls in the jurisdiction. Also \$100.00 to the N. A. A. C. P. as has been its custom in the past.

During the session the 33rd degree was conferred upon a large class of Masons from the several states of the jurisdiction, among those so honored being W. A. Johnson of Lincoln, Neb.

Final steps were taken looking forward to the immediate erection of the cathedral in Philadelphia. The members of the local Shrine temple and consistory did honor to themselves by the manner in which they so royally entertained the Supreme Council.
