A new roof has been put on the building and the interior is being re-decorated and painted.

The new executive secretary, Miss Marjorie Danley, of Portland, Ore., will arrive August 30 or 31, to take up the work September 1st.

OHIO RACE CANDIDATES ARE EXPECTED TO WIN

Attorney Jackson Has Republican Party Endorsement; Seek To Nominate Race Man for Governor

Cleveland, Ohio—Interest here this week is centered on the primary election which takes place Tuesday, August 14. The only race candidates are those seeking nomination on the republican ticket. The Hon. Harry C. Smith, veteran editor of the Cleveland Gazette and a former member of the Ohio legislature, is out for the republican nomination for governor. Smith ran two years ago and finished in the sixth place in a field of about twelve candidates. With united race support all over the state he is causing other candidates to view him as one of their most formidable rivals.

Seek To Go To Legislature
Among the candidates for the republican nomination for state representative are Attorney Perry B. Jackson, member of the Phi Beta Kappa honorary scholastic society. Jackson has the support of the party leaders, the Cuyahoga county citizens' committee, Elks, Masons, Tabors, the A. U. K. and D. of A., U. B. and S. of Love, leading ministers, and the rank and file of the colored people. His nomination is assured.

Other candidates include D. R. Williams, member of the republican county executive committee and a prominent real estate dealer. It is expected that he will, too, be among the successful candidates. Councilman Arthur R. Johnston of Miles Heights Village is making a whirlwind campaign based upon his record on the board of education and council of his village. He is meeting with a fine response. Attorney Moses H. Dixon is conducting a quiet campaign but covering the entire ticket. Dixon formerly conducted a barber shop and flower shop successfully.

OMAHA URBAN LEAGUE MOVES TO NEW LOCATION

The Omaha Urban League, an agency of the Community Chest, doing social and industrial welfare work among Negroes, has moved to its new headquarters, 2010 North Twenty-fourth street. The new headquarters have been remodeled, with private offices and additional telephone service to meet the needs of the extensive program in community welfare the League is launching. According to the executive secretary, J. Harvey Kerns, the essentials found in any up to date social service agency will be found in the new headquarters.

The free employment department is enlarging its services and contacts are being made each day with leading industries in behalf of Negro labor. Not only is the League sending out men and women on jobs, but systematic efforts will be made to impart to employers and employees their mutual obligations. The employment department not only welcomes men and women seeking employment, but will be interested in having any industrial problem they may occasion on the job brought to

its attention for assistance in adjustment.

The program in co-operation and co-ordination is well under way. A number of the social and private agencies are availing themselves of this service, and others have expressed their willingness to co-operate.

The League, through its research and investigation department, will not only compile for public information data on various phases of Negro life, but offers its services to organizations interested in gaining definite information before launching their program.

The program in race relations has as its purpose the imparting to white and colored groups such information on the trends, progress and accomplishments of Negroes, which will lead to more sympathetic attitudes, tolerance and good will. Members of the newly-formed speakers' bureau will be sent to any group, however small, to give lectures, addresses, or engage in round table discussions on any program where intelligence, guidance and counsel is sought in forming better race relations.

The Urban League Auxiliary, the big brother and big sister department co-operating with the juvenile court and public schools, and the health and housing committee are groups in the formation, which when complete, cover some of the activities upon which the League will concentrate for the first year.

The League will lend its every effort in the assistance of any community or group project. Miss Ruth Seay, a recent graduate of the University of Omaha, is the able assistant and in charge of the industrial placements. The League is a member of the Council of Social Agencies, and has a board of directors, composed of out-standing colored and white citizens, who have caught the vision of social work and who are working along sane and scientific lines in community welfare.

A BIG EMANCIPATION CELEBRATION

to be held at

KRUG PARK—September 11

We are hereby calling the public's attention to this big event. We have heretofore, no doubt, witnessed this day of celebration in Omaha, but never before have we had it in this wise.

There is a big effort being made by the Committee to reach every organized group of race people in and around Omaha, in order that they may share in, or have a chance to share in this affair. We are hoping to have every church group, every fraternal society and the business and professional men to participate in this celebration.

We have heard from many sources, much criticism about a date for this celebration. To that we have only this to say: In the Slave States, the dates differ; in Nebraska, there is no fixed date for this occasion, for this was not a slave state. So, we use a date on which we can secure a place that furnishes such recreation and amusements as this day calls for, hence, the day and place this year is

September 11th, at Krug Park!

Another objection has been that it has been a single-handed effort. That objection this year is removed by reason of the fact that **all groups are** being approached to take part.

Still another objection has been because some have thought that the churches and pastors should not have the dance pavilion operating under church management. That objection this time is removed, for the Krug Park Amusement Co. had contracted with Mr. John Smith for the dance pavilion last March, so the churches will have no hand in the management of the hall.

Now let us all get together and have a big day of co-mingling one with another and at the same time celebrate in a large way our Race Freedom.

The following named brethren have been approached and have agreed to co-operate with the plan. From Fraternities:

- | | |
|---|--|
| A. M. HARROLD
C. G. M. of U. K. T.'s | REV. D. McQUEEN
State G. M. of M. T. of A's |
| DR. GOODEN
G. M. of U. B. F.'s | |

Churches approached through pastors:

- | | |
|--|--|
| REV. E. H. HILSON
Salem Baptist | REV. A. H. HIGGS
Clare Chapel M. E. |
| REV. WM. HALL
Morning Star Baptist | REV. E. D. JOHNSON
St. John's M. B., No. Side |
| REV. MR. STEVENSON
Galilee M. B. | REV. Z. E. McGEE
Pleasant Green M. B. |
| REV. JNO. ADAMS
Presiding Elder, Omaha District, A. M. E. | REV. J. W. GARNER
Bethel A. M. E. |
| REV. J. H. JACKSON
Bethel M. B., So. Side | L. E. HAMLETT
Cleaves Temple, C. M. E. |

We hope this announcement will be clearly read and understood so that everyone will know that all groups can be benefited by plans offered if they will take part. At this writing the Committee has not been able to see all of the churches and pastors, neither have we had time to see all of the Fraternal Societies, but we will see them before the next issue comes out, so as to let the public know those participating in this grand affair. Watch for newspaper and circular announcements later. Anyone wishing to take part or to get further information call

Let us hope that all groups will do their best to make this a worth-while occasion.
