**FATHER FLANAGAN'S BOYS' HOME BAND RETURNS FROM EXTENSIVE CONCERT TOUR**

Tanned and healthy after a summer in the open, during which they covered 2,200 miles, through Iowa, Illinois, Minnesota, and Wisconsin, 22 boys from Father Flanagan's Boys' Home, accompanied by Father E. J. Flanagan, have returned to Omaha. "We had a good trip, but I'm glad to get back to Omaha," said Father Flanagan. "The meeting with President Coolidge at Superior on August 3, was the outstanding event of the trip."

The boys were members of the show troupe and radio band, which made their first appearance in Council Bluffs before a crowd of 1,500 people on Sunday, July 1.

During the trip the boys presented a show daily, and frequently a matinee for children.

Willie Harris, 16, Negro drummer boy, who has twice met President Coolidge, was among those returning to Omaha.

**SALEM BAPTIST PEOPLE ENTER NEW CHURCH HOME**

Sunday was a great day in the history of Salem Baptist Church. At 6 a. m. all Salemites and friends met at the old building and, after a short song service, a procession was formed, led by Pastor Hilson, the Reverend Messrs. Anderson, Johnson, McQueen and Crowder; deacons, deaconesses and trustees. The procession song was led by one of the oldest deacons and one of the founders of the church, G. W. Wilson. One hundred and ten persons were in line, a small shower having hindered quite a few from attending. A prayer service and mass meeting was held, where we thanked God for this great day.

At 9 a. m. Sunday School was opened by Supt. T. H. Gardner. All teachers were present. Following a twenty-minute study of lessons, a short program was rendered:

Opening remarks, N. Williams; instrumental solo, Orade Maxwell; solo, Mrs. E. H. Hilson; short talk,

E. Williams; inspirational talk, Mrs. J. Killings; remarks, Mr. Glover; remarks by pastor. Prizes were presented to classes No. 1, 5 and 8. Collection for the Sunday School, \$10.40.

At 11 a. m. Pastor Hilson preached and the choir rendered some excellent numbers. Six members were added.

At 3 p. m. Rev. T. V. Martin preached the entrance sermon.

Pilgrim and Zion choirs furnished music. Rev. W. F. Botts of California, former pastor of Zion Baptist Church, was a distinguished visitor. Rev. J. Young and Union were also visitors.

At 6 p. m. the B. Y. P. U. met. Following a brief study period a mass meeting was held with a short program. Welcome address was by Master Lewis Stromile. The state president gave a very commendable talk. Collection for the B. Y. P. U. was \$14.02. Group No. 2 ladies' group, led.

At 8 p. m. a very brief prayer service was held, after which a citizens' program was conducted. Lawyers, doctors, and other professional men were present. The history of Salem was given by Mrs. Elnora Mor-

ris, one of the founders, who told of its organization and growth. A solo by Mr. J. C. Newton, "I Have Done My Work," followed.

Collection for Sunday was \$245.00.

April 10, 1927, Pastor Hilson took charge, finding the church in a financial strain. He put on a ninety days' drive, ending the second Sunday in May, raising nearly \$1,800, and purchased the Grove M. E. church, paying cash for it. July 4 work began. He then organized a contest, women against the men, Rev. Mr. Hilson leading the men, Mrs. Hilson the women. Turning the money over weekly. Raising each week two and three hundred dollars. The contest closed the second Sunday in August. Women in lead. Raising over one thousand dollars, we were able to pay our workmen each week, in fact paying all expenses as we went. Each auxiliary was responsible for the windows. MRS. G. W. STROMILE, Reporter.

Mr. Charles H. Hicks is still confined to his home, 2530 Maple street, with heart trouble.

suppose there were no street cars —

What would happen if there were no street cars . . . what would traffic conditions be like . . . how would former street car riders get to work?

The result would be that some folks would never get to work on time. Many have no other form of transportation. Traffic conditions would be intolerable.

Street cars prevent congestion. The economic life of Omaha depends upon good street car service.

Even the tokens smile at you!
