A YEAR OF BLOOD.
The year 1903 will long be remem-
bered in the home of F N Tackett, of
Alliance, Ky, as a year of blood; which
flowed so copiously from Mr Tackett's
lungs that death seemed very near.
He writes: "Severe bleeding from the
lungs and a frightful cough had
brought me at death's door, when I
beg taking Dr King's New Discovery
for consumption, with the astonishing
result that after taking four bottles I
was completely restored and as time
has proven permanently cured."

rejoice to say, three bottles effected a
complete cure." Quick, sure cure for

Well Fitting Shirts for Men

It's the same thing either way
you look at it. Either we give you

no one cared how they fitted.

Our shirts are made over very
carefully drafted patterns. They
fit the form with comfort and ease.

The body, the band, the sleeve and
the weight and fineness of material
must be right.
