

The 1907 World Almanac

is richly weighted with information on almost every conceivable subject and is a marvelous repository of facts, figures and encyclopedic knowledge well nigh indispensable to every one who needs to refer to recent historical, political or general happenings.

It Takes Nerve

Everything depends upon your nerves. It is nerve force that causes the brain to direct the motion of your body; it is nerve force that causes your heart to pulsate, and send the blood through your veins; it is nerve force that causes your stomach to digest food, your kidneys to filter the blood, and the liver to secrete bile.

The American Magazine has Changed Hands.

Ida M Tarbell, who wrote Lincoln and the famous "Story of Rockefeller," William Allen White, the well-known Kansas editor; F F Dunne, creator of "Mr Dooley," Ray Stannard Baker, and Lincoln Steffens are under the leadership of John S Phillips, now editing The American Magazine.

Never before has such a brilliant group gathered together, and they are not only contributing themselves, but are filling the magazine with the very best novels and short stories and great timely articles by other famous writers and beautiful pictures by great artists.

A Great Bargain. The regular price for the twelve numbers of The American Magazine is \$1.20—little enough as it is, but for a limited time you can get the November and December 1906, numbers, with a full year's subscription for 1907 for a dollar, or

14 Numbers for Only \$1.00. Think of it! Think of the quality of reading you get for \$1.00. Think of the quantity—at least two great novels, 38 short stories, 28 poems, 70 timely articles, 800 beautiful pictures, and all for \$1.00.

And when, next day, he lay in bed with bandages upon his head, he wondered what on earth he said. This is a very reliable company and has a large per cent. of the farm risks in this county. I have succeeded very nicely in starting on a cash system with a beginning of the present year. All my customers new and old are coming in just the same as of old and are paying cash for what they buy now. Why is it? Because I have cut the profit so close that they all appreciate it, and are pleased with the new system of doing business on a cash basis and getting more for their money. Try it for yourself and be convinced. Yours for business. J Van de Zedde. Sudden Death of F H Ayres.

Francis H Ayres, a pioneer resident of Dakota county, passed away Saturday morning at 1 o'clock, a m, at the home of his brother M O Ayres. His illness was of short duration, lasting only a couple of days, the ailment being obstruction of the bowels. Deceased was born in St Charles county, Mo, February 5, 1832, and with his parents moved to Ft Madison, Iowa, where he resided until manhood. He went to California at the outbreak of the gold fever in that country, returning in 1859. Enlisted in company G 4th Iowa cavalry in the fall of 1861 and was mustered out in 1862. He was joined in marriage to Harriet A Elder, November 18, 1862, at Ft Madison, Iowa. Five children were born to them, two of whom are living—Mrs Mary Kiley, of Omaha, and Lyeurgus Ayres, of this place. His devoted wife, who has shared his joys and trials for nearly half a century, survives him. Deceased has been a resident of Dakota City since 1870. He homesteaded a piece of land in Brushy Bend when he first came here and worked in his brother's saw mill. The land has since been washed away by the Missouri river. Later he moved to Dakota City and conducted a tinshop until his death. The funeral was held Sunday at the M O Ayres home, the services being conducted by Rev E E Shafer. The remains were laid to their eternal rest in the Dakota City cemetery.

HOMER.

SPECIAL CORRESPONDENCE. Mrs Kinnear and daughter Eva returned from Humbolt, Iowa, Monday. Mrs Kinnear spent several months in Humbolt and Eva went last week to accompany her home. Mrs Bubb and Sylvia Rockwell were passengers in from the north Monday. Rev Smith and wife were Omaha passengers Monday. Mrs Smith will enter the Methodist hospital and Mr Smith will remain with her for a time. Benone McKinley took Monday's north bound train for Humbolt, Iowa, to visit his mother and other relatives at Havelock and Ft Dodge. Monday's mail brought us a card "Married, Robert J Jones to Sarah M Harris, Thursday, January third, nineteen hundred and seven, Arkansas City, Kansas." While we most heartily agree with Editor Baucroft as to Homer's need and have more than once said so, we are willing to pay our share and are doing so as we are taxpayers and paying 25 mills school tax now and that is the limit. I am afraid there are few tax payers who will be willing to fund the district. There is \$800 that has been laid aside as a building nest egg, but it is a question whether that can be legally used as building money. We have exhausted the bridge question too, but the condition of the town treasury, perhaps, is the reason our suggestions have not been acted upon. Where we as a town made a mistake

was in not asking a new bridge from the railroad company for the one they have made unsafe. Every man, woman and child in Homer see the need of schoolhouse, bridge and sidewalks, but the taxpayers keep still about it for obvious reasons. The town board met a few evenings since. Mrs Seth Barnes and Mrs Drake were Walthill passengers last week Thursday. The attention of the B & M officials ought to be called to the condition existing at South Sioux City and a separate waiting room provided for ladies. Drunken Indians take possession of the waiting room and the language they use would make a modest yellow dog blush with shame. The worst of it is they say it all in English, too. Will Beardshear and Mrs Walter DeWitt arrived here from Ponca Thursday to be with their sister, Mrs Geo Hageman, who is dangerously ill. Mrs Rosalind Hageman is quite ill with typhoid fever. Her husband died Thanksgiving with the same disease. The schools did not open after the holiday vacation on account of small pox. We have heard of but the one case and hope that will end it. We hear that Blyburg is full of small pox and that Homer will quarantine against them. Dr Will Ream returned to Granville, Iowa, Saturday. Harry Wilkins took Tuesday evening's train for Sioux City to enlist in the navy. Prof Clark has returned from his holiday visit to resume his duties in the school room—as soon as the small pox scare is over. Miss Rose Smith, primary teacher, has returned from Rook county where she spent her vacation. Ed Pilgrim drove to Sioux City, Wednesday. Margaret Smith, who it was reported had small pox, has almost entirely recovered, in fact was not confined to her bed at all. Mrs T D Curtis and daughter Marion have returned from their two weeks visit with relatives and friends at Missouri Valley and Council Bluffs. Miss Mabel Clapp will work as printers angel in the Free Press office. Miss Maud Odeil and Dan Harris were married Wednesday evening, January 9.

Rosina Walters, of Sioux City, was visiting over Sunday at the home of her uncle, D F Waters. Stephen Leis returned Sunday evening from a ten week's visit at the home of his parents at Murdock, Neb. His nephews Ralph and George accompanied him and enjoyed their visit very much. Mrs T B Jones was an over Sunday visitor at the home of Mrs J P Tscholig, of Sioux City. Nellie Hogan has resigned her position as teacher in the Hartnett district near Hubbard, and will remain home this year. Her brother Frank commenced teaching last Monday and will finish the term.
