Indignation Following Wedding-Keep Ahead of Public Opinion.

The Presbyterian general assembly port. at Columbus, O., Thursday received and adopted the report of the special committee on marriage and divorce and adopted resolutions rejoicing in favorable results aiready obtained and former assemblies regarding marriage and divorce, and enjoining presbyterles to "enforce the standards of the ministers under their care and to urge doubt. all ministers to regard the comity that should refrain from giving the sanction of our church to members of another church whose marriage is in violation of the laws of the church

whose communion they have chosen." Rev. Charles T. Dickey, of Philadelphia, chairman of the committee which presented the report, referring to the recent marriage of President Corey, of the United States steel corporation, said:

"What we had heard about Mr. Corey cleared the way. The condemnation of public opinion was something itself to make us rejoice, and surely if the editorials of our newspapers and public opinion is rising to a high standard it is time that we take the lead in this, as in everything. and give an example of the church cleansing itself from tax divorce and sinful marriages."

THIRTY PERSONS HURT.

Electric Train and Trolley Car Collide in New York.

Thirty persons were injured, some seriously, in a collision between a three-car electric train bound for New York from Coney Island and a trolley car of the Thirty-ninth street line in New York Tuesday night. The collirecords were changed after the letting sion occurred at a point where the two lines cross at right angles. The trolley car was struck by the electric train and almost every one of its passengers suffered injuries. Thirty of the most severely injured were conveyed to hospitals. Physicians in attendance think no fatalities will result. The conductors and motormen of both the electric train and the trolley car and H-rgis at Lexington, Ky., charged the flagman stationed at the crossing were arrested.

DOUBLE WRECK IN NEW YORK.

Passenger Hits Freight that Had

Jumped Track. A freight engine, eastbound on the New York Central, jumped the track at Fink's basin, east of Little Falls, N. Y., early Tuesday, and the Buffalo-Cleveland special train westbound crashed into the wreckage. Baggageman Finley, of New York, was killed and three passengers and three trainmen were injured.

Just as the special was approach ing Little Falls the eastbound freight train running on a track paralleling that of the special, was derailed by a rain. The train hands on the freight declare they did not have time to flag the express before it plunged into the wreckage. Four cars of the special were thrown from the track, and two of them, the buffet car and day coach, overturned and were dragged for some distance before the train was stopped.

Baggageman Finley was in the buffet car and was thrown out and cut in two by the wheels. Fireman Maper was pinned down in the cab of his engine while hot coals from the boiler set his clothes on fire. He was badly burned and is in a critical con-

George Friezen Shoots H. M. Misner of Henderson in the Leg. George Friezen, cashier of the bank at Henderson, and several business men, having been notified that suspiclous looking tramps were beating their way on the train toward Henderson, organized a posse to find the tramps and drive them out of town. It like bank robbers and were supposed to carry with them nitroglycerine. fuses, etc., and that their intention was to rob one of the banks at Henderson. The business men went to the stock yards adjoining the railroad track, and in looking for the tramps opposite direction and Mr. Friezen called upon them to halt, and thinking that these were the tramps, immediately fired at them with a 32-caliber revolver. H. M. Misner, a former merchant of Charleston, was hit and immediately made known who he was, The bullet entered the fleshy part of his leg, and while it appeared at the time quite serious it is now believed that he will only be confined to his bed two or three weeks. No trace of the tramps was found; they had disappeared.

General Manager Mohler, of the Unon Pacific, has written the commission asking that body to inderse its appeal to the people to have their coal shipped during the summer months and avoid the rush in the fall and all the worry incident to scarcity of cars when cold weather sets in. Mr. Moher said in his letter his company was now shipping coal for its own to save the supply for the people next winter, and he wound up by saying he mitted to sell coal to the people next winter as it did last winter. It is not improbable that the commission will write back and suggest that the Unnow, as it has plenty of yard room would leave the road free to take to use its cars for its own benefit next winter.

The Updike Grain company, of maha, has written to the state board f assessment objecting to the method dopted by County Assessor Miller, of Lancaster county, for the assessment of its grain elevators in that county. Mr. Miller not only assesses on the average capital stock invested for the preceding year, but also includes the value of the grain on hand April 1. The Updike company desires the board to instruct Mr. Miller to assess only the average capital invested. The latter is the plan adopted by the board last year and this year and held to be valid by the supreme court, but been holding frequent indignation it is not likely that the board will interfere with Mr. Miller if he elects to operate under another method.
