Something must be done in the course of a few years, for if the river does not change its tactics the business part of town will be in danger of being washed away by the treacherous river.

**Epilepsy Fits St. Vitus Dance**  
Are nerve diseases, and unless checked, lead to destruction of both mind and body. The weak, shattered nerves must have something to strengthen and build them back to health. Dr. Miles' Restorative Nervine is a remarkable nerve tonic and stimulant. It strengthens the nerves, relieves the nervous strain, and influences refreshing body-building sleep and rest. Persistent use seldom fails to relieve these afflictions.  
"It was taken with epileptic fits; had eleven in less than 12 hours. My father sent for my family physician, but he could do very little for me, and I grew worse every day, and at last they had three doctors with me, and I still get worse. My father heard of Dr. Miles' medicine and bought a bottle of Nervine and a box of Nerve and Liver Pills. I had taken only a few doses until I began to feel better. I took 12 bottles, and it cured me sound and well. It has been worth all the world to me. I recommend it wherever I go. You may use this as a life-long tonic to the merits of your medicine, for I am enjoying the best of health, and feel that my life and health is due to this wonderful medicine." R. F. NIXON, 2, Boston, Ga.  
Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

## in bargain opportunities

We had over \$10,000 worth of goods that we wanted to sell out to the people of Hubbard and vicinity, and we sent word to all of them. We did not pick out the chosen few, and how well we are disposing of them, we leave to one and all, and we do not believe there is a man, woman or child within the borders of Dakota County but will vouch for it, that the people are centering at Carl Anderson's, the bargain spot of the county. They are buying, they are not just visiting and looking around, but they are taking away bundles and arms full. They are asking their neighbors to help carry their loads.
