

When You Take Cold

One-way is to pay no attention to it; at least not until it develops into pneumonia, or bronchitis, or pleurisy. Another way is to ask your doctor about Ayer's Cherry Pectorant. If he says, "The best thing for colds," then take it. Do as he says, anyway.

We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor.

When the bowels are constipated, poisonous substances are absorbed into the blood instead of being daily removed from the body as nature intended. Knowing this danger, doctors always inquire about the condition of the bowels. Ayer's Pills, made by the J. C. Ayer Co., Lowell, Mass.

Sleep

Sleep is nature's rebuilding period, when the energy used by the brain, muscles and organs is renewed. If you lose sleep, your system is robbed of the strength sleep should give. Continued loss of sleep multiplies this loss until you become a physical wreck. Dr. Miles' Nervine quiets the irritated nerves and brings refreshing, invigorating sleep. Nervine contains no opiates, and therefore leaves no bad after-effects.

"For over two years I suffered untold agonies; my friends thought I was going crazy. I could not sleep nor rest at all. I tried different doctors, but failed to find relief. My head would ache all the time; I was like one drunk; could not concentrate my mind, and was so restless and worried that sleep was out of the question. After taking one bottle of Dr. Miles' Nervine I felt wonderfully changed. I am now on my third bottle and am glad to say that I can lie down and sleep like a child, and am able to do my work."

MRS. MAX SCOTT, English, Ind.

Your druggist sells Dr. Miles' Nervine, and we authorize him to return price of first bottle (only) if it fails to benefit you.

Miles Medical Co., Elkhart, Ind.

Hard or Soft Coal,

Coke or wood, whatever fuel you use, costs money. You have to pay so much for it, whether you get all the heat out of it or not. If a stove wastes the fuel and only a part of the heat is extracted, your fuel bills are higher than they should be. It is therefore profitable for you to get a stove that will get all the heat out of the fuel and not waste it.

The "Genuine" Round Oak and the "Radiant Home" are the stoves that will do it; even the smoke they send out of the chimney is clear, showing that the gases and soot have been burned and all the heat extracted. The comfort of a stove that is everything it ought to be; that gives heat; holds the fire; that lasts and is always good and efficient, is worth almost any cost.

The Round Oak and Radiant Home are such stoves and are a source of comfort in thousands of homes, and they will prove the same in yours. There are imitations, be sure and see the names of "Round Oak" and "Radiant Home."
