

# Does Not Color Hair

Ayer's Hair Vigor, as now made from our new improved formula, does not stain or color the hair even to the slightest degree. Gray hair, white hair, blonde hair is not made a shade darker. But it certainly does stop falling hair. No question about that.

Does not change the color of the hair.

Formula with each bottle. Show it to your doctor.

**Ayer's** Ask him about it, then do as he says.

Indeed, we believe it will stop every case of falling hair unless there is some very unusual complication, something greatly affecting the general health. Then you should consult your physician. Also ask him about the new Ayer's Hair Vigor.

# Sleep

Sleep is nature's rebuilding period, when the energy used by the brain, muscles and organs is renewed. If you lose sleep, your system is robbed of the strength sleep should give. Continued loss of sleep multiplies this loss until you become a physical wreck. Dr. Miles' Nervine quiets the irritated nerves and brings refreshing, invigorating sleep. Nervine contains no opiates, and therefore leaves no bad after-effects.

"For over two years I suffered untold agonies; my friends thought I was going crazy. I could not sleep nor rest at all. I tried different doctors, but failed to find relief. My head would ache all the time; I was like one drunk; could not concentrate my mind, and was so restless and worried that sleep was out of the question. After taking one bottle of Dr. Miles' Nervine I felt wonderfully changed. I am now on my third bottle and am gaining all the time. I can lie down and sleep like a child, and am able to do my work."

MRS. MAY SCOTT, English, Ind.

Vigor drugget sells Dr. Miles' Nervine, and we advise you to return price of first bottle (only) if it fails to benefit you.

# Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the local.

Dr. Shoop's Restorative, the Constitutional.

The former, Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is a general internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments.

"The Night Cure," as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, breaks local weaknesses and discharges, while the Restorative, causes nervous excitement, gives renewed vigor and amplifies, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—see a general tonic to the system. For positive local help, use as well.

For Sale.

As we intend to move from here the first week in March, we will offer for sale one six-hole kitchen range, one hot blast heating stove, and all our household furniture. Everything is in good condition. Inquire at our residence in Dakota City, Nebr.
