A. E. Adams Dies from Injuries Received While Wrestling.

After suffering intense agony for two weeks from injuries to his head received in a scuffling bout, Albert E Adams passed away Monday evening at 8:30 at the home of his brother-in-law, Wm Brandon, 319 West Third street, Sioux City.

It was a falling of the deceased man to engage in friendly scuffles, and on this occasion he tackled Fred A Wood who threw him, and in the fall he struck his head on a foot scraper on the sidewalk, inflicting an ugly wound on his temple. Dr Grant Ross, of Sioux City, was called and had the injured man removed to the Samaritan hospital in Sioux City for treatment. The patient partially recovered and was removed from the hospital to the Brandon home, but blood poison and erysipelas set in and death soon followed.

Deceased was born in Blackhawk county Iowa, and was in his 53rd year. He was married at Waterloo, Iowa, about thirty years ago and soon after moved to Sioux City, later coming to Dakota county, where the family resided on a farm on Walker's Island until two years ago when they moved to this place and assumed charge of the Model restaurant.

Deceased leaves a wife and three grown children—two sons, Charles and Harry, and one daughter, Mrs Max Easton, to mourn his untimely death.

The funeral services were held on Wednesday afternoon at 2:30, from the home of his brother-in-law, Wm Brandon, in Sioux City, interment being in the Floyd cemetery.

The 8th, 9th and 10th grades are planning an excursion next Friday over to the Floyd monument, both as a pleasure and educational trip.

Aileen Stinson was absent two days this week.

Sylvester Sanford has stopped school and is now driving the town herd.

Henry and Frank Powell are back at school after a month's absence with measles and other sickness.

Francis Ayres has dropped his work in the 6th grade to drive the herd.

S A Stinson visited the grammar room Tuesday morning.

Mrs Maxwell visited the 6th and 7th grades Wednesday afternoon.

The 6th grade have read "Grandfather's Chair" and are now using the readers used by the 7th grade. The 7th grade are reading "Tales from the English History."

Miss Taylor was unable to attend her school duties Wednesday morning.

The principal and board are contemplating adding two weeks more to the term in order that the pupils who have missed several weeks with mumps and measles may complete the required amount of work so that they may enter the next grade. It is hoped the parents will cooperate with the school in this matter as attendance during the two weeks will make the work much easier next year.

Rev Von Hagen visited the high school last week.

A Bargain.

Lincoln is your town, it is the seat of your state government, the officers who spend your money live here, you and your children here to be educated, you send your friendless and crippled here, you send your insane here, when you want anybody hanged you send them here, when you wanted a big state fair you located it here, when you hold a convention it's here, whenever you do any shopping it's here—the most railroad center here.

Lincoln was created for the accommodation and benefit of the state of Nebraska and her citizens have grown to realize that all we are here for is for your service, and that is the reason state people like to come here.

The State Journal is being conducted along these lines. It is peculiarly a state paper, realizing its obligations to Nebraskans. It is a staunch advocate of all things for the upbuilding and uplifting of her people, and always stands for that much used and sometimes abused "square deal." It is the one state paper that can print all the news all the time about everybody and everything. No office-holders or office-seekers in any of its departments from top to bottom.

We are obeying the new rules of Uncle Sam's post-office and require all subscribers to pay in advance. In this way you pay only for your own paper; you are not helping to pay for the paper of someone who doesn't pay his bills.

Therefore to introduce the State Journal into thousands of new homes, we will send it every day, except Sunday, from now until after the National Election for only \$1.50. Make it \$2.00 and we will add the big Sunday paper. It is will carry you through the presidential race. This is just an introductory offer and the paper will be stopped at the end of that time. We stop all papers when time paid for is up. The sooner you send in your money the more papers you will get under this cut price offer.

The Journal prints more reading matter than any other state daily and we will let you judge of the quality. See your postmaster.
