

**Where is Your Hair?**  
In your comb? Why so? Is not the head a much better place for it? Better keep what is left where it belongs! Ayer's Hair Vigor, new improved formula, quickly stops falling hair. There is not a particle of doubt about it. We speak very positively about this, for we know.

Does not change the color of the hair.

Formula with each bottle  
Show it to your doctor  
Ask him about it, then do as he says

Indeed, the one great leading feature of our new Hair Vigor may well be said to be this—it stops falling hair. Then it goes one step further—it aids nature in restoring the hair and scalp to a healthy condition. Ask for "the new kind."

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

Stop that pressure with Dr Shoop's Headache Tablets and pain instantly gone. 20 Tablets 25c. Sold by all dealers.

Sunday School Convention.  
The fourth annual convention of the Dakota County Sunday School association was held in the Boals M E church in South Sioux City Monday and Tuesday of this week.

The sessions began on Monday afternoon with words of welcome by Rev F F Mead, pastor of the entertaining church, which left no doubt in the minds of those present as to the cordial reception they would have. The address was responded to by W S Oberholtzer of the Dakota City Lutheran church. Cordial greetings from state workers were next given from State Secretary H M Steidley and Secretary of Primary Work Miss Mina Stooker. Both these addresses were full of good points concerning the work throughout the state.

Following this the county officers made reports. Each one gave a summary of the work done in their respective lines. Next followed the department secretaries. The branches are those of the Home Department, under the direction of Mrs John Critz of Homer; Teacher Training, Rev E H Combs of Homer; Primary, Miss Lizzie McGlashan, and Temperance, Hazel Johnson. Also the reports of the presidents of the districts. The afternoon sessions was concluded with an address on Decision Day, by Rev S S McComb, of Sioux City.

At the evening session a forceful and eloquent temperance address was delivered by H H Sawyer, an officer of the Anti-noon league of Sioux City.

Tuesday forenoon addresses were made on the Primary Standard, and Supplemental Work, by Miss Mina Stooker. After this Mr J D Haskell, of Wakefield, gave a highly instructive address on the World's Convention at R. me. He was present at the convention and described the experiences he had in meeting and hearing the greatest Sunday School workers of the world.

H M Steidley then gave a round table talk on Adult Work.  
On Tuesday afternoon the opening work was that of conference of superintendants, Teacher Training, Home Department, and Primary Work.

Each Sunday School of the county, then gave a report.  
A special memorial service was then held sacred to the life and work of Miss Mamie Haynes, former Nebraska State Secretary of Primary work. This hour was ably conducted by the County Secretary, Miss Elizabeth S Haase, of Dakota City. Various touching testimonies were given as to the beautiful life of the deceased.

Rev Lewis J Mutschman of Sioux City then addressed the convention on the subject of the early training of the child. This was followed by an address of a similar nature, delivered by Rev M E Reese.

The evening session closed the work of the convention with a characteristic address by Rev S S McComb, of Sioux City. This convention was one of the very best ever held in the county, and all departed for their homes grateful for the many good things they were able to hear, and the kind hospitality shown them by the people of South Sioux City.

The next convention will meet in the M E church in Dakota City.
