If you wish a high-class hair dressing, we are sure Ayer's Hair Vigor, our improved formula, will greatly please you. It keeps the hair soft and smooth, makes it look rich and luxuriant, prevents splitting at the ends. And it keeps the scalp free from dandruff.

Do not change the color of the hair.

Formula with each bottle. Show it to your doctor. Ask him about it, then do as he says.

Ayer's

At the same time the new Ayer's Hair Vigor is a strong hair tonic, promoting the growth of the hair, keeping all the roots of the hair and scalp in a healthy condition. The hair stops falling, dandruff disappears. A splendid dressing.

Weak Kidneys

Weak Kidneys, surely point to weak kidney nerves. The kidneys, like the heart, and the stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the kidneys alone is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine is scanty, or if you are drowsy, or if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggist recommended and sold.

The question of issuing a saloon license to Alfred Chellis by the village board of Dakota City was decided in the district court by Judge Graves Wednesday, the case having been appealed from the jurisdiction of the town board by the remonstrators to the petition. Judge Graves dismissed the petition of the remonstrators and the license was issued as prayed for, and the drought that has prevailed in this community is a thing of the past.

At 8 o'clock Wednesday evening, at the home of Mr. and Mrs. D. H. Hager, occurred the marriage of their only daughter, Grace H., to Archie Coughtry, son of Mr. and Mrs. James Coughtry of this precinct. The wedding was a quiet, simple affair, and was witnessed by only a few friends of the family. At the appointed hour the wedding couple took their places in the parlor and the solemn and impressive words were spoken by Rev. G. A. Beith, M. E. pastor at the Omaha agency, Neb., and a cousin of the groom, that made two happy hearts beat as one. The newly wedded couple will immediately go to housekeeping on the A. T. Haase farm recently vacated by W. I. Broyhill. This couple is too well and favorably known in this locality to need any introduction by the Herald, and the best wishes of their entire acquaintance are heartily tendered them in their new relationship. Some handsome and useful presents were received by the bridal pair from their relatives and friends.

If one feels dull and spiritless, in the spring or early summer, they call it "spring fever". But there is no fever—usually it is the after effect of our winter habits. The nerves are mostly at fault. Tired, worn-out nerves leave us languid, lifeless, and without spirit or ambition. A few doses of Dr Shoop's Restorative will absolutely and quickly change all of these depressing symptoms. The Restorative of course won't bring you back to full health in 48 hours or two, but it will do enough in 48 hours to satisfy you that the remedy is reaching the "tired spot". Druggists everywhere are advising its use as a splendid and prompt general tonic. It gives more vim and more spirit to the spoonful than any other known nerve or constitutional tonic. It sharpens a falling appetite, aids digestion, frees sluggish livers and kidneys, and brings new life, strength and ambition. Test it a few days and be convinced. For sale by all dealers.

In the Sand Hill Country.

Swan Lake, Neb, May 26, 1908. Editor of Dakota County Herald—Dear Sir: As I promised before I left Dakota City, I will write you a few lines about the country we have passed over on our western trip.

We are now at Swan Lake—it is about a mile long and one-half mile wide and is full of fish. It is entirely surrounded by sand hills.

I suppose you and the friends would like to know about our trip and the country hereabouts. The face of the country until we got near the Elkhorn, is about like the western part of Dakota county, but when you cross the Elkhorn you really enter the great American desert. So many have crossed it that it seems silly to write of it. We camped about one-half mile west of Ewing. It is the same everywhere, but the grass grows good. The most noticeable thing here is the dam on Cacha creek, which can be heard for a mile. We followed up the creek bottom, which is level and not good for anything but hay. The rest is sand, generally covered with a short coat of grass. Twenty miles up the hills nearly disappear, and there is meadow land many miles in extent that has practically gone to waste. They haul some hay to O'Neill, 24 miles. I was offered the best for 50 cents per acre with buildings, all fenced and two flowing wells.

The water comes to the surface if given half a chance. A flowing well costs here about \$20. The water is trying to find its way to the surface all over. Much of the rolling land is waley and the very high places are sandy leaving very little farm land, as it either drifts or drowns.

About thirty-five miles from Ewing the country grows dryer—more sand and less valley, but lots of hay; good for stock and not much else.

May 29—Arrived at Duff, Nebr, and are at M S Mansfield's. The country between here and Swan Lake is very rough and sandy.
