### County Coroner

Jackson, Nebraska

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and panys of this deplerable disease.

In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, it uniformly cures all curable cases of this heretoforwheich dreaded disease. Those sand-like granular wastes, found in Rheumatic Blood seem to dissolve shed pass away under the action of this remedy as freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuss to suffer longer without help. We sell, and in confidence recommand

A New Deal at Winnebago Winnebago Agency, Neb., July 14, 1908

DITOR HERALD-From the early day of this great Northwest we have known of that good man, Father DeSmet, who was welcomed and loved by all of the Indian tribes, from the Mississippi river to the Rocky Mountains. At times he was storm-bound in some lonely settler's cabin or some Indian camp.

The first mention I hear of this good man is in 1838, while he was stopping at Fort Atkinson, Iowa, now Council Bluffs. At that time-1837-Father Hamilton came to the territory of Nebraska, a missionary to the Pawnee and Otoe Indians. He, too passed through all of the strenuous times of the then unknown west. Some time about 1870 he came as a missionary to the Omaha Indian reservation. It was my privilege to know this good man, although I never met him face to face, having he was retired from this work on account of have some photos made. We are not his advanced age. He was succeeded by particular what kind you have, as we Rev. Copiey, then by Rev. Findley, stationed at Pinnebago Agency. This good man died at his post. He was succeeded by Rev. It is Presbyterian in government and doctrine and numbers among its members President Roosevelt and Miss Helen Gould. It carries on four other Indian missions in Oklahoma and New Mexico, and plans to prosecute a vigorous campaign among the Winnebago and Omaha Indians, with headquarters at Winnebago Agency.

Better Society.

Mrs Ben says that she wants to get into better society than the country ffords. They bought a \$1,200 house 1 in town, and on the same block they will have, as neighbors, a saloon keep er and a butcher who whips his wife. They are a half a block from a livery stable and one block from a blacksmith shop, so I guess that society do-ings will be brisk around there.
