Thinking that last Friday was old settlers picnic day at Tekamah, Barney Gribble Bert Wood, James Fueston, J. P. Roekwell and Chris Paulson took the early morning train for Tekamah. You can imagine their feelings when they arrived there and found that the big doings was billed for the next day. Rockwell and Paulson had urgent business that called them home on the evening train, but the balance of the party, undaunted, remained over night and saw all the sights that the city of Tekamah afforded.

Con Delonghery was arrested Monday on a warrant issued by County Attorney Berry, on a charge of assault on the person of Mrs. Agnes Breisch. Mr. and Mrs. Breisch live on a farm adjoining the Delonghery place west of Jackson, and on July 6th, it is charged in the complaint, that Delonghery came to the Breisch home in an intoxicated condition and after breaking up some furniture in the house made indecent proposals to Mrs. Breisch. He afterward tried to settle the case by paying the injured parties \$10.00 cash and giving them a fat hog, but this did not soothe their wrath, hence the arrest. Delonghery took a continuance for ten days.

August time tells on the nerves. But that spiritless, no ambition feeling can be easily and quickly altered by taking what is known by druggists everywhere as Dr. Shoop's Restorative. Within 48 hours after beginning will be noticed. Of course, full health will not immediately return. The gain, however, will surely follow. And best of all, you will realize and feel your strength and ambition as it is returning. Outside influences depress first the "inside nerves" then the stomach, heart and kidneys will usually fail. Strengthen these failing nerves with Dr. Shoop's Restorative and see how quickly health will be yours again. Sold by all dealers.

Effective at an early date, the Burlington will require passengers to present tickets to train men before boarding trains at stations where a reasonable opportunity is afforded for the purchase of tickets. The clerical work required of conductors in connection with the payment of the large number of cash fares on trains has grown to such an extent as to seriously handicap them in their far more important duties in looking after the operation of their trains and insuring the safe transportation of their passengers. While conductors collect 25 cents in excess of the ticket fare between stations, they issue a rebate check good for this amount at any of the company's stations and consequently there is no penalty involved. For several years past there has been a general increase in passenger travel and a consequent increase in the conductors' work in collecting transportation, and the management is confident that the wisdom and reasonableness of this regulation will be apparent to its patrons.

The footprints of dyspepsia have been directly traced to the stomach nerves. When these "inside nerves" fail, indigestion and stomach distress must surely result. For this, druggists everywhere are supplying a prescription known as Dr Shoop's Restorative. First, these tiny inside stomach, heart, and kidney nerves fail. Then gas belching, heart palpitation, or failing kidneys follow. Don't drug the stomach, or stimulate the heart or kidneys. That is wrong. Strengthen these failing nerves with Dr Shoop's Restorative. It is the nerves, not the organs that are calling for help. Within 48 hours after starting the Restorative treatment, you will realize the gain. A test will tell. Sold by all dealers.
