Ask your doctor about these throat coughs. He will tell you how deceptive they are. A tickling in the throat often means serious trouble ahead. Better explain your case carefully to your doctor, and ask him about your taking Ayer's Cherry Pectoral.

Who makes the best liver pills? The J. C. Ayer Company, of Lowell, Mass. They have been making Ayer's Pills for over sixty years. If you have the slightest doubt about using these pills, ask your doctor. Do as he says, always.

# Epilepsy, Fits

Convulsions, or Spasms and St. Vitus' Dance are Nervous Diseases. Most cases can be cured by strengthening and building up the nervous system. To do this a nerve medicine is needed. Dr. Miles' Nerve will be found efficacious and satisfactory. It has cured many cases of these diseases and we believe it will cure you. We can give you names of many who have been cured through its use. Write for advice.

"My son John had epilepsy for years, and after having him treated by specialists for over 2 years he still continued to have spells. I had almost given up in despair, but knowing the virtue of Dr. Miles' Anti-Pain Pills for sick headache, I concluded to try the Nerve. During June, 1908, I gave him a teaspoonful three times a day, then in July I gave it as directed, and I could see that he was improving, and he has not had a spell since August 28, 1908, and has taken no medicine since Jan.-'07. I am writing the case just as it is, hoping it will induce others to try it."

# 10,000 prizes for children

TEN THOUSAND children will win prizes in the great "Liberty Bell" drawing contest in the next month or two. Any child in this town ought to try; it doesn't cost anything, and you get a beautiful souvenir, even if you aren't among the fortunate ten thousand.  
The great shoe house of Selz—"the largest makers of good shoes in the world"—are backing up in this contest, so you know it will be done right.  
For Selz does everything right. Selz is the only manufacturer who absolutely guarantees every shoe with his name on it; that's the reason we sell Selz shoes.  
Children can't find a better shoe at a reasonable price than the "Liberty Bell" shoes it's made of genuine leather, uncheapered by the usual frauds in children's shoes.  
That's the reason they wear so long; and they fit comfortably; look dressty, too. That's why they're "the most famous children's shoes in America."  
Guaranteed shoes for women and children, too.
