SUMMARY OF THE NEWS OF THE WHOLE WORLD.

CUBAN OFFICERS QUIT

CLIMAX IS REACHED IN CUBAN CABINET CRISIS.

Resignations Are All Ready-Move of Ministers is Meant to Favor Gomez by Relieving Him of Embarrassment in Making Removals,

The Cuban cabinet crisis, which for some time has been impending, reached a climax Thursday afternoon when all the mnisters as well as the parliamentary secretary, Senor Castellanos, signed their resignations, which will be officially presented to President Gomez on his arrival from Cayo Cristo. The action of the cabinet was taken after a conference with the avowed purpose of expressing loyalty to the president and relieving him of the embarrassment of making removals.

According to rumor, Luis Octavio Divina, of the department of justice, will be succeeded by Ramiro Caberera; Nicolas Alberdi, secretary of the interior, by Gen. Machado, now inspector general of the armed forces; Dr. Mathias Duque, secretary of sanitation, by Senor Alberdi, and Postmaster General Nordarse by Senor Morus Delago, ex-president of the senate and leader of the colored party.

The resignations of Benito Lagueruela, secretary of public works, who recently was severely criticised for the dismissal of James Page, chief engineer of construction at the Cienfuegos waterworks, and Senor Castellanos, who developed anti-American prejudices since his appointment to office, probably will be accepted.

SHORTAGE IS \$100,000,

Investigation of Tipton Bank Show Much Bad Paper.

William H. Marker, cashier of the First National bank at Tipton, Ind., and brother of Noah R. Marker, the missing assistant cashier, who is charged with the defalcation of more

than \$100,000, has resigned. Many bad notes and checks are turning up in the progress of the examination of the bank's affairs. This pa- leav, of the French institute, as a pasper, bearing forged signatures of zens, represents, it is said, thousands of dollars abstracted from the bank's funds. It is not expected that the shortage will be less than \$110,000 and it may be much more.

DUAL KENTUCKY CRIME.

Woman Kills Man and Then Swal lows a Deadly Poison.

A double tragedy was enacted in Bellevue, Ky., a suburb of Cincinnati O., when Mrs. John Mullarkey, 28 years old, shot and killed Edward Axline, 30 years of age, and died later as a result of self administered poison Mrs. Mullarkey, who was the wife of a well known resident of the suburb, and mother of two children, had been seen in company frequently with Axline in the last few days. What led to the tragedy may never be

INDIANA WIND STORM.

Strikes Indianapolis and Plays Many Peculiar Pranks.

A terrific storm, which swept In dianapolis and Indiana late Thursday caused great damage to that city. The wind played many pranks, among them blowing an automobile through a store front and tearing the roof from a baseball grandstand and depos iting it with such force upon a house that the structure was almost demolished.

The mercury reached 91.4, the hot test of the season,

Resort Keepers Arrested.

The grand jury at Chicago which has already indicted a police inspector a detective and others in furtherance of State's Attorney Wayman's attack on the West Side "tenderloin," Thursday returned indictments against twenty keepers of alleged illegal establishments.

Gompers in Berlin. Sampel Gompers, president of the American Federation of Labor, arrived in Berlin Thursday to study labor conditions.

Sionx City Live Stock Market. Thursday's quotations on the Siou City live stock market follow: Cattle

\$6.00. Top hogs, \$7.40. Triple Missouri Ceime.

A triple tragedy occurred at Hannibal, Mo., Thursday when Charles Beas ley shot and killed his baby, dangerously wounded his wife and then committed suicide.

Reyes' Resignation Accepted. Gen. Rafael Reyes has announced that he has received official notification of the acceptance by the Columbian congress of his resignation as president.

UNDER MARTIAL LAW.

State Historical Society

Officials to Put Down Riots in Barce-

Travelers from Barcelona, Spain, Tuesday reported the situation as grave. The civil governor, when ordered to proclaim martial law resigned his office. A regiment of infantry has arrived in the city from Tarragona to reinforce the garrison. Rioting was resumed on the Rambla, the main street of the city, before dark Tuesday, and two street cars overturned. Already a dozen persons repressing the rioting. Many deserting reservists are fleeing across the frontier

Barcelona is now under martial law. Serious rioting has occurred following the declaration of a general strike tions in Morocco, and the dispatch to place, that country of a large body of troops.

Violent meetings have been held during the past few days, and a general strike followed. There has been much fighting in the streets, and practically all communications have been destroyed. The food supplies have been cut off, resulting in great hardship and suffering, especially among the poor. The prices of the necessaries of life are almost profibitive.

The strikers cheer the soldiers, but have attacked the police of Barcelona and suburbs. Several serious engagements have occurred between the police and the rioters and the former have not hesitated to use their pistols freely. As a result many innocent pedestrians have been that as well as

All commercial activities are prostrated, and service on the tramways and railroads, as well as cab and carriage service, has ceased. There is great uneasiness and fear of much more serious disorders. Trouble is also reported from the interior towns.

SETS A NEW MARK.

O. Wright Shatters World's Aeroplane Record.

The world's aeroplane record for two men, as to both time and distance, was broken Tuesday in a beautiful flight of one hour, twelve minutes and forty seconds-upwards of fifty miles-at a speed averaging about forty miles an hour, by Orville Wright at Fort Myer, with Lieut. Frank P. Lahm, of the army signal corps, as passenger.

The former record was made last year by his brother, Wilbur, joint inventor with him of the machine in which both flights were accomplished at Le Mans, France, with Prof. Pain-

That flight was one hour nine minutes and thirty seconds. Wilbur was an eager spectator of Tuesday's flight by his brother.

TRAGEDY IN A COURT ROOM.

Sensational Ending of Trial at Little

Rock, Ark. Shooting over the head of United States Senator Jeff Davis, W. Y. Ellis, a resident of Pine Bluff, Ark., fired a bullet into the heart of Nathaniel Parker Willis, owner of a liquor cure at Indianapolis, Ind., in the circuit court room at Little Rock, Ark., Tuesday afternoon.

The shooting was the tragic ending of a lawsuit brought by Willis against his divorced wife, who had subsequently married Ellis. The suit was for the possession of the Willis child. Willis died in his mother's arms almost instantly after being shot.

Shoots Wife for Burglar.

In the excitement caused by the be-Hef that a burglar was in the house, Harry Pierce, a shoe designer, shot and fatally wounded his wife at their home in the Jamaica Plains district, near Boston, Mass., Tuesday. Pierce has been taken into custody pending an investigation.

Three Thousand Made Homeless,

A fire which broke out early Friday in a Chinese restaurant on Haileybury road, near Cobalt, Ont., caused a loss estimated at \$100,000. Three thousand have been rendered homeless and the entire business section north of the square has been de-

Stone Under Arrest. United States Senator Stone, of Missouri, was for a short time Tuesday night under arrest at the central police station in Baltimore, Md., charged with assaulting Lawrence J. Brown, a negro porter on a buffet car. Senator Stone was released on his own recog-

Two Farmers Slain, Thomas Morgan and his son Henry, farmers, living near Gage, Okla., were killed, and E. F. Powers, a neighbor with whom the Morgans quarreled, was probably fatally injured in a fight near the Morgan home Tuesday.

Hawalian sugar planters are contemplating importing Russian immigrants to solve the labor problem in must face the courts on a charge of the islands, it was announced in Honolulu Tuesday.

RIOT RULE IN SPAIN.

King Proclaims Martial Law Through-

out Nation. The greatest inquietude reigns in Madrid. King Alfonso was closeted until a late hour Wednesday with Premier Maura, and an official note was issued saying that the situation is exseedingly serious and that the rebeliion must be suppressed with an iron hand, as the Catalonians were struggling to engulf Spain in a revolution.

The minister of the interior Thursday night issued an official note givhave been killed by the police while ing a summary of the latest events in Catalonia. At Rues, near Tarragona, serious disorders have occurred. At Alcoy there has been much fighting in the streets, the gendarmes using their carbines and killing or wounding many of the manifestants. Orin protest against the military opera- der was quickly established at that

At Calhorra, a place of 10,000 inhabitants, the populace invaded the railroad station, destroyed the switches and did other material damage which resulted in the blocking of the trains transporting the troops. Soldiers opened fire on the rioters, of whom some were killed. The troops succeeded in re-establishing train communications. Similar incidents occurred at other localities.

At Kendrell a railroad was torn up to prevent the passage of trains conveying soldiers from Valencia to Bar-

The king learned that part of his army at Melilla had had a bloody battle with the Moors, which, though a signal victory, was won by the Spanlards, cost the lives of twenty-one officers and a total of 200 Spanlards killed and wounded.

PULLIAM SHOOTS HIMSELF.

Baseball Magnate Tries to End Life in Gotham.

Harry Pulliam, president of the National League of Baseball Clubs, Wednesday attempted suicide in his rooms on the third floor of the New York Athletic club. Standing in the middie of the room, Mr. Pulliam held a revolver to his right temple. He fired only one shot, which entered his right temple and came out seven inches away on the left side. The bullet destroyed the right eye and passed through the upper part of the left. It is not believed he can recover.

His friends say that continued ill health was chiefly responsible for his attempt to kill himself.

RUSH FOR LANDS GREAT.

Department Places an Order for 50,-

600 More Registration Blanks, great le the rush of applicants for Indian reservation lands to be drawn August 9 that the land department officials Wednesday at Spokane, Wash., placed an order for 50,000 more registration blanks.

With little more than half the time for registration passed, Superintendent Witten has received 148.955 applications. It is figured that there are about 6,400 homesteads available on the Spoken and Coeur d'Alene re-

ENDS LIFE WITH REVOLVER.

Former Secretary to James H. Hyde Meets Death by His Own Hand. John H. Stuart, confidential secretary of James Hazen Hyde when the latter was president of the Equitable Life Assurance society of New York, committed suicide near Everett, Wash., Thursday by shooting himself

in the body and head. Stuart was a witness against Hyde in the investigation that resulted in the latter losing control of the insurance company. Despondency over finances is given as the cause of the suicide.

Shoe Factory Resumes.

The shoe factory of James Phelan & Sons, at Lynn, Mass., which was one of the four shoe manufacturing plants affected by the strike of packing room employes, resumed operations Tuesday, having agreed to the terms of the striking packers.

Senator Stone Discharged.

Declaring that in the circumstances he assault was justifiable, Police Magistrate Eugene Grannan, at Baltimore, Md., Tuesday dismissed the charge against Senator William J. Stone, of Missouri, of having assaulted Lawrence G. Brown, a waiter on a Pennsylvania railroad train.

No Bar to Hostile Fleet.

In a test made in the upper part of Portsmouth harbor, New Hampshire, Thursday the inefficiency of a massive wire entanglement to prevent the entrance of hostile torpedo craft was fully demonstrated, the torpedoboat destroyer Ferret cutting through the obstructions with the greatest case.

State Files an Appeal. An appeal to the United States su-

preme court from the decision of Judge Smith McPherson in the Missouri railroad rate case was filed by Sanford B. Ladd, representing the state, in the United States district court at Kansas City, Thursday.

Killed by an Eric Train.

Mrs. William Chase, of Middleton, N. Y., said to be a relative of President Taft, was struck and killed Thursday by an Eric train as she was about to leave for a seaside resort.

Lawmaker is Arrested,

W. W. Robertson, of Wesson, Miss. a member of the state legislature. yiolating the state prohibition law.

NEBRASKA STATE NEWS

WANTED TO PUNISH HIM.

Rough Handling. The cry of "bring a rope," was heard from a crowd of men in Auburn Saturday evening, and it was soon learned that a woman had been as saulted by her husband and beaten en of the west are rapidly crowding in the face until the blood was flowing and several wounds were apparent and | candidates for positions in all of the the man appeared bent on renewing respectable vocations. the attack. Bystanders came to the rescue and the woman fainted. The man undertook to leave the place, but just as he got into his buggy George Hays seized the reins and took him by the collar, and he was soon in the city jail, which was possibly a good thing for him, as there were parties ready It was learned that the man was L. B. Throop, a switchman, and the woman, his wife, Mrs. Deloris Throop.

FORGER AT BEATRICE.

or More.

The smooth forger, who had been hanging around Beatrice a few days, took in a number of business men and left town about \$50 or more to the The checks were drawn on the First National bank in favor of K. Alsen and signed J. S. Shugert, The forger visited a number of places and purchased a bill of goods tendering a check always much larger than the bills amounted to. In each instance he received a nice balance with the goods purchased. The forgery was not discovered until after the fellow left town. He is thought to be the same party who recently visited Hastings and a number of other towns in the state.

HEADACHE POWDERS FATAL.

Wife of Farmer Near Auburn Takes Too Many.

News has just reached Auburn of the death of Alberta Reding, wife of Thomas Reding, a farmer living six miles north of the city. It is reported that Mrs. Reding was troubled with a severe headache and in her effort to give herself ease, took several headache tablets, which commenced take effect soon after and made her very sick. A physician was summoned, but arrived too late to save her. She died within a few minutes after he came. Mrs. Reding was about 40 years of age. She leaves a husband and five children.

HAD BEEN THREATENED.

Omaha Minister's House Fired in Alleged Incendiary Manner.

Fire believed to have been of incendiary origin was discovered in the residence of Rev. John A. Spyker, pastor of the Trinity Methodist church at Omaha, at 1 o'clock Monday morn-

ng. The damage was \$2,000. Rev. Mr. Spyker was one of the strongest advocates of the early closing law and since its passage and enforcement he has publicly proclaimed It as one of the best measures ever adopted.

Since then he has received many threatening letters, two of which informed him that he was to be burned

Coal Miner Killed.

Tom Clements, of Beacon, was instantly killed while working in a coal shaft owned by him and a brother. He was engaged in digging the coal with a pick, working underneath a heavy mass, which without warning fell with a crash, crushing him to an unrecognizable mass. He was one of the popular young men of Beacon and was married and had a family.

Gas Jet Left Open.

G. Darby was almost asphyxlated at his home in Lincoln by escaping gas. Mrs. Darby awakened and discovered her husband unconscious and the room full of gas. Prompt medical attention saved the man's life. The gas came from a jet which had been left partially turned on.

Father Murphy Has Service. In accordance with his announced intention, Father William Murphy, of Ulyases, held services in the Catholic church Sunday. There was no disturbance and no attempt to prevent the meeting. The priest appointed Bishop Bonacum in place of Father Murphy made no attempt to hold an

opposition service. Load of Beer Confiscated. John Baeuer was arrested in Lincoin by the police and a wagon load of beer which he was having taken to the Rock Island depot for shipment to Haliam was confiscated. The beer had been shipped to Hallam direct from Illinois, but had been unloaded and stored in the Bacuer warehouse.

Drainage Ditch Approved. Plans for digging a \$30,000 ditch were adopted at the meeting of the Logan drainage district board at The Elkhorn river drainage board met in Fremont and approved the proposed route of the river cutoff which is to be dug within the next few months.

Little Girl Burned to Death. Nina, the 12-year-old daughter of Mr. and Mrs. George Gillem. of Blair, was burned to death by the explosion of gazoline.

Young Traveling Man. Harold Banks, aged 10 years, took the prize at the traveling men's picnic at Lincoln for being the smallest

traveling man on the road. The young

man lives at Lexington, but was born

in Cozad, where his father was in the

general merchandise business until a short time ago. Runaway Accident Fatal. Dennis Lyhenne died at his home southwest of Sutton, from the effects of injuries suffered in a runaway

GIRLS IN HARVEST FIELDS.

Auburn Wife-Beater Barely Escapes Nebraska Farmers Prefer Them to Male Help.

The small grain harvest that is now being finished throughout southern and central Nebraska supplies additional convincing proof that the womthe men of out of many lines and are

In numerous localities in Nebraska women in the harvest fields have been quite as common as men. They have done their work well and farmers who have given them employment have been satisfied and to them have been given credentials that are exceedingly finttering.

When the Nebraska small grain harvest opened there was a great shortage of male heip. Wages started in at \$2 per day, advanced to \$2.50 and then climbed to \$3. Besides this, board, lodging and washing went along. But even this wage and the per-Smooth CrookLeaves the City with \$50 quisites did not attract the city man.

DOG WRECKS AUTO.

Nebraska City Autoist Gets Into Tron-John P. Michelson, a wholesale liquor dealer of Nebraska City was over in Iowa a few days since in his auto. Some farmers set two dogs on him as he passed in his machine and as the road was rough and he had to travel slow one of the dogs grabbed the front wheel and ditched the machine. Michaelson shot the dog, after righting his machine, and a warrant has been issued for his arrest at Shenandoah and it will be some time before he goes over to answer to the charge. machine was badly injured and had to be repaired before he could return

home, but he and his wife escaped without injury. ANTI-PASS LAW IN COURT.

Pacific Seeks to Test the Ne-

braska Regulation. In order to make a fight on the newspaper and physician features of the Nebraska pass law, the Union Pas cific railroad has waived preliminary hearing on two complaints recently filed against it by the Douglas county attorney and the cases will be taken mmediately into district court.

The complaints contain several counts each and accuse the railroads of violating the law by giving transportation to physicians and their families when the medical services were paid for by fees and not by saiaries, and of giving newspaper editors trans-

portation in exchange for advertising.

FARM BARN BURNS. Four Horses Are Cremated North of

Thurston. Word has reached Pender of a fire at a farmer's place north of Thurston, wherein his four horses were burned to death. It appears that Mrs. Johnson went out some little distance from the house in the afternoon, with a hill intervening between the place where she was and the buildings. On her return the barn was burned, with a driving team, another horse and a tion empowering the President to stallion in it. It is thought that a small boy, a son of the hired man, played with matches and set the fire

Wheat Speculators. Three well-dressed men, riding in in auto for which they were paying \$30 per day to take them around to see the farmers, are attempting to contract wheat from 90 cents to \$1 per bushel for future delivery. These parties have been working in York county and it is believed that they represent a syndicate who have men traveling all over the state and in this way are trying to secure a corner on

Housebreaking at Arlington. Some time Friday night house breakers entered the residence of Mrs. Jennie Glover at Arlington and stole \$11 in cash, but took nothing else, although some jewelry could have been taken. The residence of Ed Ludwig was entered and \$2 was taken, and the Stringer residence was also visited, but nothing was molested.

Dies of Broken Neck. Victor J. Remmington, of Beverly, died at the Immanuel hospital in Omaha from the effects of an accident which fractured a cervical vertebra. The young man was swimming in a small lake and jumped from a spring board into shallow water, striking the bottom and breaking his neck.

Sheriff Destroys Whisky. Sheriff Mencke destroyed the 255 pints of whisky he secured in the raid few weeks ago at Herman. The sheriff and a large crowd of people took the liquor to a vacant lot and everyone got a chance to break a bottie that cared for the honor of doing

Bonds Defeated. At Sutton the proposition to issue \$33,000 in water bonds to enlarge the water system was decisively defeated at the election. The electric light propesition carried by a few votes.

Deputy County Judge Resigns. J. L. Helsing has tendered his resignation as deputy county judge at Waaco and Miss Mayme Simpson has been appointed his successor.

Beiden Fire Incendiary. Andrew Gallagher, deputy state fire ommissioner, has returned from Belden, where he believes he has discovered that a recent fire there was of incendiary origin. The fire destroyed several buildings.

Kills Self with Shotgun. Some time Thursday afternoon while he family was at Fremont attending he circus Chris Kreissi killed himself with a No. 10 shotgun in his room at the home of Hans Pageler, four miles

west and south of Cedar Bluffs.

When the Senate met Tuesday Senator Brown of Nebraska sought to have adopted the joint resolution directing the Secretary of State to transmit to the Governors of the various States copies of the resolution providing for consideration was postponed a day under the agreement to transact no business while the tariff bill is in conference. Mr. Cummins, after some de bate, obtained an order for reprinting a bill in which he was interested. Sen drew his objection. Without transacting other business the Senate adjourned until Friday. The urgent deficiency bill was passed by the House after four days of tempestuous debate. The amount carried by it is \$454,809, or \$20,408 more than the original sum, and includes the \$25,000 traveling ex penses for the President. After denying the usual extra month's pay to officers and employes of the capitol, the House threw out of the bill the allowance for extra work to committee stenographers and then refused to carry out a mandate of the United States Supreme Court for the payment of J. M. Ceballos & Co. of New York of \$205,614. Finally the Democrats, led by Mr. Bowers of Mississippi, sought to defeat the proposition for the pay ment of the President's traveling expenses, but in that they were unsuc cessful. Adjournment was teten until Friday noon.

After a session of little more than half an hour Friday the Senate adjourned until Monday, which is a day earlier than would have been possible under the unanimous agreement for sessions only on each third day while the tariff bill is in conference. The date was moved up in the hope that the conference report on the tariff bill a statement by Mr. Culberson that the Weekly Review of Trade. Democrats had been united on the tar iff bill. A large number of presiden tial nominations were confirmed, in cluding that of Charles R. Crane to be minister to China. In an exciting ses Mr. Rucker (Colo.), and charged that tered. Mr. Macon also objected to the words "great applause." Mr. Rucker sider bills prohibiting members of Con gress and court officers from accepting gifts or employment from corporationa trusts or persons interested in legisla tion. At 1:05 p. m. the House adjourn ed till Tuesday noon.

After adopting a concurrent resolutransmit to the Governors of the varcome tax, the Senate Monday at 12:45 turers difficult. o'clock adjourned until Thursday. The Business failures in the United public, signed by Santo Domingo on 1908.—Bradstreet's. June 19, was ratified and made public by the Senate. The House was not ir session.

Lesson of the Pittsburg Survey. Reviewing the "Pittsburg Survey in an article for the April American Magazine, Ida Tarbell says: "This sur vey is the most awful arraignment of an American institution and its result ing class pronounced since the days of millionaire the stamp of greed, of stupidity and of heartless pride. But what should we expect of him? He is which for years he has not needed. He has fought for it because he has fattened on it. He must have it for labor. But look at him and look at his labor and believe him if you can." In \$3.50 to \$8.35; sheep, good to choice, by privilege. The curse of justice on oats, No. 2 white, 53c to 54c. those who will not recognize injustice, is the sodden mind, the dulled vision, the unfeeling heart."

SPARKS FROM THE WIRES. Marquis de Gallifet, former minis ter of war of France, died in Paris.

He was born in 1831. Judge Clifford, at Tacoma, Wash., declared the new State anti-cigarette 51c to 52c; rye, No. 1, 80c to 82c. law unconstitutional.

A new specimen of snake, small in size, was captured near Portland, Ore. It has fangs in its tail as well as in its head.

Loudon Chariton, of New York, has been appointed business manager of the St. Louis Symphony Orchestra. Mrs. William C. Grant, of Chicago, aged 75 years, and her sister, Miss
