Death Claims Another Pioneer

Kelly W Frazer, one of the earliest pioneers of Nebraska, died at his home in San Pedro, Cal, August 15, 1909. His death was due to paralysis, from which he had been a sufferer for about ten years. The funeral services were held from the family home on August 17th, and were conducted by Rev Edward, Presbyterian minister. The services at the grave were in charge of the I O O F, of which he had been a life-long member, holding his membership in one of the Omaha lodges. The casket was covered with flowers, tokens from his many friends, among them being a pillow of white roses with the three links, the emblem of the I O O F order, represented on it. Among the old friends of the family present at the funeral were: Mrs Dodson, of Omaha, Mrs Mary Berrick, Mrs Elizabeth Geyer and daughter, Ada, Mrs Sullivan and daughter, Kate, Mrs Bryant, and Charles Bayha.

Kelly W Frazer first set foot on Nebraska soil November 2, 1858. Coming from Ohio, he pushed on to Knox county where he located on a claim and worked at the blacksmith trade. He returned to Dakota county August 10, 1867, where he resided until about five years ago, when he and his wife moved to California to spend the remainder of their days.

He had been a prominent factor in Dakota county politics, being elected county judge on the democratic ticket five terms, besides holding other important positions of trust. His life has been a busy one, and he will be greatly missed by all, and especially his loving wife, who tenderly cared for him in his declining years when misfortune overtook him.

Interstate Fair Notes

Mr Morton feels certain that the Igorroto Village will be one of the most interesting spots at Woodland Park during the week of September 20th.

Ole T Nalgestad, a justice of the peace of Sioux City, is out with the announcement that he will officiate free at all weddings, the ceremonies of which he shall perform, during the week of the Interstate Fair, September 20th.

The world's famous six-horse team of Swift & Co, which is used almost exclusively for exhibition purposes, will be one of the attraction at the Interstate Fair, Sioux City. The team is valued at \$20,000.

The exhibit of farm machinery at the Interstate Fair, in Sioux City, the week of September 20th, will eclipse anything ever seen in Iowa.

Joe Morton, secretary of the Interstate Live Stock Fair, Sioux City, has done a wise thing in making it impossible for the petty grafters to work their little skin games in the grand stand this year. Patrons of the Fair last year will recall how the lemonade and the ice cream cone vendors raised the price to ten cents on hot days and that small glasses and small cones were used at that. The officials were powerless to stop the graft. In every contract for the Fair this year is inserted a clause that will protect the public. The uniform will be five cents.
