

Stops Hair Falling

Ayer's Hair Vigor, new improved formula, will certainly stop falling of the hair. Indeed, we believe it will always do this unless there is some disturbance of the general health. Then, a constitutional medicine may be necessary. Consult your physician about this.

The reason why Ayer's Hair Vigor stops falling hair is because it first destroys the germs which cause this trouble. After this is done, nature soon brings about a full recovery, restoring the hair and scalp to a perfectly healthy condition.

CHURCH NEWS
METHODIST.

Services at the Methodist Episcopal church every Sunday as follows: Preaching, 11 a. m.; Sunday school, 10 a. m.; Class meeting 12 m.; Epworth League, 6:30 p. m.; Preaching, 7 p. m.

We were glad to see you on Sunday. Come again. Do it over. Come over. The church stands for something, yet it's not gone; it's here to stay. Don't be looking to see it go and then you'll not be disappointed. The church our best Redeemer saved with the precious coin of his life blood is swaying the nations. Let's all be in the swaying business and on the winning side. Sometimes the world wins and it's a winning disgrace. To win for Christ means victory now and forever. Win! Work! Do! Dare! Determine! Do it now! When tomorrow steps in he changes his name and we call him "today." A welcome accorded you to all the services. Walk in.

FROM A HOMERITE--IN THE INTEREST OF JUSTICE
(Continued)

We hear that a petition is being circulated to remove one of our teachers, one, too, that we have heard spoken of as "one of the best teachers in Dakota county." Now we have no personal interest in said teacher, not even being acquainted with her, but in the interests of justice and the golden rule we feel like entering a protest. We think it should be only for some very grave offense that such a thing should be done which, if we are informed aright, is not the case, but a trivial affair that the principal and board of education are perfectly able to rectify.

Would the petitioner or any of the signers raise their hand and say "to me, to me, have done you?" Take my business—my means of making a living from me? We don't see one hand reaching for the other.

Some people sign everything that comes along, some just because they are asked to, and some because Tom Jones did, some because they don't want to offend John Smith when he asked them to sign it, still others, because they like to see their names down with a lot of others. So, we think such a thing should be thoroughly looked into before it is signed, and we are sure the school board will call a meeting of the signers to read the petition and give them a chance to present their grievances in person and before the accused, and give her the chance of a defense.

Yours for Justice.
