

A Cough Medicine

Ayer's Cherry Pectoral is a regular cough medicine, a strong medicine, a doctor's medicine. Good for easy coughs, hard coughs, desperate coughs. If your doctor endorses it for your case, take it. If not, don't take it. Never go contrary to his advice.

The dose of Ayer's Pills is small, only one at bedtime. As a rule, laxative doses are better than cathartic doses. For constipation, biliousness, dyspepsia, sick-headaches, they cannot be excelled. Ask your doctor about this.

Death of William Frazier.

In the death of William Frazier, which occurred at his home between here and South Sioux City Tuesday at a few minutes past 12 o'clock, noon, Dakota county loses another of its earliest pioneer residents, a staunch citizen and a man respected and honored by his neighbors for his sterling character. His death is attributed to old age and a hardening of the arteries.

The deceased man was born in York county, Ohio, November 7, 1820. He came to this county in 1856, from Council Bluffs, Iowa, on the steamer Arcadia, landing at Covington on June 8th. He settled on a farm southeast of Covington soon after the war, where he has resided continuously since. He was married to Catharine Donlan, of Dixon county, at Cathartia on May 2, 1867, by Rev Samuel Aughey. He was the last of a family of nine children, and leaves a wife as his only survivor.

The funeral services were held from St Michael's Catholic church in South Sioux City at 8 o'clock Thursday morning, and the remains were shipped to Ponca for burial.

We have some roses in bloom on the road side—I picked some myself today.

We are all well; we appreciate The Herald very much, and wish you success and happiness.

Yours truly,
