Use of tobacco is universal in the orient, and the word cheroot and its Homer visitor Tuesday at the home of use come from Madras. The first cigars seen by Columbus were wrapped with corn shucks. Some Himalaya tribes take the leaf of the palassa and, with a cunning twist of the wrist, make the bowl and long, narrow stem of a pipe in the most perfect way.

Miss Helen V. Carson of Bedford. In., has entered upon her second year as superintendent of the high schools of Exira, Ia. She was recommended by the Governor of Colorado for the place and was just twenty-two when she was elected. She is said to do the work just as well as her masculine predecessor and to receive the same salary.

It is estimated that there are 250, 000 hives or colonies of bees in Switzerland, each of which produces forty pounds of honey during the season, a total of ten million pounds a year. The average price of Swiss honey for the year 1909 was 25 cents a pound, giving the year's product a total value of \$2,500,000, which is mostly profit, nature providing the raw material in

an abundance of flowers. Hookha, the hubble-bubble or Turkish water pipe, is always being smoked by Burmese women, partly because they like it, but mainly to supply the men with nicotine water. This hubble-bubble nicotine water habit is, in fact, a lazy form of tobacco chewing. A mouthful of the nasty beverage is held in the mouth as long as possible. They carry about gourds full of it, and claim it preserves their teeth, and it may .- New York Press.

In our army machine guns have been supplied from time to time, but only experimentally and not as an intrinsic part of the army organization. The question has been studied, no doubt, by the general staff, but the new arm has been postponed to make way for other more pressing considerations and also to profit by the experience of European nations before adopt-The oat crop, as well as the early ing any definite organization or tac-

arm of the service. Some English seem to think all either "foreign" or "colonial" to show Vern Heikes is thinking seriously the buyer that he was not getting Engof joining the Dakota City fire depart. Hish meat. Every one of the chief joints would have to be stamped, and the exporter would have to do the stamping. Further, the butcher dealing in "foreign" as well as English meat must announce the fact on his shop front, so that his customers may know he deals in both foreign and English meats. Some of the farmers complain that much foreign meat is passed off as English to bring down

their prices. "Mob" is the only one of the abbreviated words protested against by Dean Swift which has conquered even the purists of speech. "Incog" is still short of respectability, and "phiz" (physiognomy) very far so. However, other abbreviated forms have won. A bath and some dinner and was taken cabriolet is a "cab" to everybody now, though to Dickens' Mr. Raddle it was still a "cabrioly." "Miss" for "mistress," "plano" for "planoforte" and "sweets" for "sweetmeats" are universal. Nevertheless, many people still apologize for "bus" instead of "omnibus" and wage a losing fight against

Consul Thomas H. Norton, of Chem nitz, tells of the importance of the potato in the life of Germany. "The potato occupies a felatively more imboth man and beast, but also for conversion into starch and alcohol. The 1908 crop was estimated at 46,500,000 metric tons (51,256,950 short tons) 12,000,000 tons being used for human food and 19,000,000 tons for feeding

Tonic or Stimulant?

There is an immense difference between a tonic and a stimulant. Up one day, way back the next; that's a stimulant. Steady progress day by day toward perfect health; that's a tonic. Ayer's Sarsaparilla is a tonic, a strong tonic. The only Sarsaparilla entirely free from alcohol. Do not stimulate unless your doctor says so. He knows. Ask him. Do as he says. J.C. Ayer Co., Lowell, Mass.

Constipation is the one great cause of sick-headache, billousness, indigestion, bad breath, debility, nervousness. Has your doctor ever recommended Ayer's Pills to you?
