

MR. AND MRS. CHAS. T. BARTO.

This estimable old couple celebrated their 50th wedding anniversary at their home in Wakefield January 4, 1911. An account of the happy event, taken from the Wakefield Republican, follows.

50th WEDDING ANNIVERSARY.

Mr. and Mrs. Chas. T. Barto Celebrate Golden Wedding.

From the Wakefield Republican.

Notwithstanding the unfavorable weather conditions, a merry crowd gathered at the home of Mr. and Mrs. C. T. Barto Tuesday evening to assist them in properly celebrating their fiftieth wedding anniversary. As many of the children, relatives and old time friends as could were on hand to see that the program was properly carried out. Among those out of town were Mr. and Mrs. H. A. Cassler, Carroll; Mr. and Mrs. R. Chinn, Allen; Mr. and Mrs. A. E. Barto, Wayne county; Mrs. John Richards, Allen; Mr. and Mrs. D. H. Hager, Dakota City; W. H. Mason, Sioux. Among the gifts of gold was thirty-five dollars, a valuable chain for Mrs. Barto, and a watch chain and fob for Mr. Barto, along with many useful, appropriate and valuable articles too numerous to mention.

The room was beautifully decorated with yellow and white. A three course lunch was served. The guests departed at a late hour feeling that they had had an enjoyable time.

Rev. Smith did the tying and I don't think they can get away from it.

Charles T. Barto was born in Bradford county, Pa., February 8, 1837.

Estella Cooley was born in the same county and state May 5, 1845. They were married at Erin, Cheyenne county, New York, January 3, 1861.

They moved to DeKalb county, Illinois, in 1862, and located on the Logan valley in Dixon county, Nebraska, May 3, 1869. Seventeen children were born to them. Two died in infancy. Mrs. Lucy McClain died at Yankton, S. D. Those living are Mrs. Richard Chinn of Allen, Neb.; Mrs. H. A. Cassler of Carroll; Mrs. C. E. DeGroot of Herried, S. D.; Ward Barto of Winfield, Neb.; George Barto, Wakefield; Ernest, Atwater, Cal.; Mrs. C. J. Warn, Turlock, Cal.; Frank, Arthur, Levi, Wakefield; Alfred, Wayne county; Mrs. J. H. Carder, Wessington, S. D.; Mrs. E. C. McFadin, Wakefield; Miss Ethel, Grand Island, Neb. At the last report there was 20 grandchildren and one great-grandchild.

Until recent years Mr. Barto was quite active in politics. Always a republican he reserved the right to vote for the man he considered best fitted for the office regardless of politics. Was treasurer of Dixon county from 1884 to 1888. Conducted the office with credit to himself and the voters of Dixon county who placed him there. Mr. Barto is a member of the Masonic and A. O. U. W. lodges.

It isn't often that mail carrier Ed Fredrick loses his bearings on the roads in this county, but he tells it on himself that while hauling a load of hay from the swamp recently he drove and drove and drove until way into the night when all of a sudden he found himself driving into Jackson. For once in his life he was lost.

The busiest and mightiest little thing that was ever made is Chamberlain's Stomach and Liver Tablets. They do the work whenever you require their aid. These tablets change weakness into strength, listlessness into energy, gloominess into joyousness. Their action is so gentle one doesn't realize they have taken a purgative. Sold by all druggists.

Isaac Fouts, of South Sioux City, died Sunday, January 8th, of paralysis, at the age of 61 years. He had been a sufferer for nearly a year. The funeral services were held Wednesday, interment being in Floyd cemetery. He was a member of the A. O. U. W. and W. O. W. lodges, which orders had charge of the burial, three members from each lodge acting as pall bearers.

Billy Triggs is working as "hostler" for the Burlington these days—and nights, caring for the big freight engines that are used in hauling trains to this point and taking back long trains of ice. The big engines used on the Burlington are not allowed to cross the railroad bridge into Sioux City, consequently the trains are sidetracked here and taken across the bridge with small engines.

The members of the order indulged in an oyster supper after the installation ceremony.

An exchange says: After a great deal of worry and study we have at last figured out how so many country editors get rich. Here is the secret of their success. There is a child born in the neighborhood. The attending physician gets \$10. The editor gives the loud lunged youngster a great send-off and gets \$0. It is christened, and the minister gets \$5 and the editor gets \$50. If grows and marries. The editor publishes another long winded flowery article and tells a dozen lies about "the beautiful and accomplished bride." The minister gets \$10 and a piece of cake. The editor gets \$500 and a request to carry the groom's substance another year. In the course of time she dies. The doctor gets \$5 to \$100, the minister gets another \$5, the undertaker gets from \$50 to \$100, the editor publishes a notice of death and an obituary two columns long, lodge resolutions, a lot of poetry and a card of thanks and gets \$0,000. No wonder so many country editors get rich.

A large concourse of friends and mourners followed the remains to their last resting place to pay their last tribute to a loving wife, mother and friend. Those who came to attend the funeral obsequies were: Herman Schmadake, Clarkeville, Io; Mr. and Mrs. Wm. Beerman and son Fred, Mrs. Balsey Werner, Mrs. Fred Prner, Battle Creek, Neb.; Mrs. Henry Oehlerking and son Charles, Sergeant Bluff, Iowa. Mr. Beerman and children desire to express their heartfelt thanks for the kindness shown by their neighbors and friends during the hour of their bereavement.

School House Burns.

A smouldering mass of brick and ashes is all that remains of Dakota City's handsome two-story frame school house.

An alarm of fire was sounded Monday evening at about 9 o'clock and the entire town turned out to battle with the flames that had started in the furnace room in the basement of the school building, but owing to the advanced stage of the fire and the inadequate supply of water the fire steadily gained on the fighters until they were driven away by the intense heat, when the building was soon enveloped in flames. Nothing was saved from the building, as it was entirely filled with smoke and gas from the coal in the basement which had become ignited and been smoldering for more than an hour before the alarm of fire was sounded. The first ones to discover the fire were George Barnett, Willie Schriever and Frank Sides, who smelled smoke coming from the direction of the school house, and upon going there to investigate found the furnace room in the basement on fire, and smoke issuing from the roof and the windows of the building. The chemical engine belonging to the town was sent for but it was not charged nor ready for use, owing to the fact that there is no place provided to store it to keep it from freezing, and with practically no water supply the fire soon got beyond control.

The building was a two story frame, with basement, containing four large rooms. It was built in 1892 at a cost of upwards of \$4,000. Insurance to the amount of \$2,300 was carried on the building and \$200 on text books and apparatus. The loss to the district on the building alone above insurance will amount to \$2,000, and on books and apparatus \$1,000.

Plans are being made as rapidly as possible to begin school again. The primary room will be continued in the lower room of the old brick school house. The court room in the court house has been tendered to the district by the board of county commissioners and the high school department and one of the lower grades will be installed there. The two remaining rooms will be provided with suitable quarters, and it is hoped by the first of next week to have the school running again, even though at a slight disadvantage. An order for text books was sent in the day following the fire, and these will likely be here in ample time.

Plans for rebuilding the school house will be taken up as soon as possible, but this will take time, and it is expected that another building cannot be provided before another school term begins.

In the poultry show held in Sioux City this week, P. M. Boala was third on Buff Plymouth Rock cockerel; L. L. Ream of Pender was fifth on White Wyandotte cockerel and pullet.

Noted Rupture Expert Here.

Seelye, Who Fitted the Czar of Russia, Will Be at the Boyd Hotel, Wayne.

F. H. Seelye of Chicago and Philadelphia, the noted truss expert, will be at the Boyd hotel and will remain in Wayne this Sunday and Monday only, Jan. 15th and 16th. Mr. Seelye says: "The Spermatic Shield Truss as now used and approved by the United States government will not only retain any case of rupture perfectly, affording immediate relief, but closes the opening in 10 days on the average case, and costing only proportionate with common trusses." This instrument received the only award in England and in Spain, producing results without surgery or harmful injections. Mr. Seelye has documentary references from the United States government, Washington, D. C., for your inspection. All charity cases without charge, or if any interested, call he will be glad to show the trusses without charge or fit them if desired. Anyone ruptured should remember the date and take advantage of this unusual opportunity.
