This is the second death in one father's family and we are all middle aged, and it will not be long until we make the trip and join Tom and Will, till then, good bye.

Rapid City, S.D., Special in Sioux City Journal, 28th: While working on his claim ten miles north of Owanne, in this county, Bert Brassfield, a young homesteader, met with a serious accident and barely escaped with his life. He was hitching a team of horses when they plunged forward and he grabbed the neckyoke, but was thrown under their hoofs. When he recovered consciousness and managed to crawl to a nearby claim he was found to have six ribs crushed and was nearly dead from the flow of blood into the lungs. Although it was thought at first that he could not recover, the physicians now state that he has a chance for his life.

Andrew C Nesser, better known by the people in this vicinity as "Merry Go Round" was found in a cabin near Peter Johnson's last week in a very pitiful condition. His feet were frozen and he was otherwise in a precarious condition. The county officers were notified of the situation and he was taken to the poor farm and is under the care of Dr Maxwell of Dakota City. His feet were amputated yesterday below the knees. This old fellow has been a familiar sight to the people of Homer, Dakota City, Hubbard and Emerson for a number of years and as he was a hard drinker it has been predicted that he would be found some morning frozen to death.

Rosalie Ripsaw: Stimmie Stilman, the former Waltheil magnate, but more recently of South Sioux City, drifted into Rosalie Tuesday afternoon. We have known Stimmie for twenty-five years and he has not changed a particle in that time, and he still holds the record of Nebraska for being the greatest hot-wind shooter and cork-tail-peddler. He has a close second in our friend Lot Sailors, of Rosalie. Lot will probably want to shoot us now, but it will not be the first time we have been "shot."

Belvidere, S.D., Times: No one can say that Amos Shook did not start the New Year right. On that day he and Miss Eva Kinner of Kodoka were united in marriage at the home of an old friend of the groom, Senator Heildrick, in Chamberlain. Both of the contracting parties are highly respected in their home communities. The bride has been a school teacher in the vicinity of Kadoka and recently provided up on a claim west of that place. The groom is well known here, having a farm six miles west of town and is making a grand success raising and ranging sheep. The happy pair are at home on the Shook ranch and are wearing the sallow that won't come off. The Times joins with the many friends of Mr and Mrs Shook in wishing them a long and happy matrimonial career.

Sioux City Journal, 30th: A Carroll, for several years a prominent grain man in Iowa, Minnesota and South Dakota, died at his home, 1614 Pierce street, at 7 o'clock yesterday morning, aged 49 years, of uremic poisoning. During the past fifteen years Mr Carroll, with his family, has made his home alternately in Jackson, Neb., and in Sioux City. He has lived here continuously for the past four years. Mr Carroll has been engaged in the grain business practically all his life. During part of the time he has owned and managed elevators of his own, while he has also acted as auditor for other concerns. The deceased man was a member of the Masonic order, the M W A and U C T. He is survived by his wife, two sons, Maynard and Dean, and a daughter, Gladys. The funeral will be held from the residence at 2:30 o'clock this afternoon. Roy Wallace M Short, of the First Congregational church, officiating. Interment will be in Graceland cemetery.

Emerson Enterprise: Mrs L B Roe was in Homer and Dakota City the first of the week on business. Miss Myrtle Mitchell is up from Goodwin visiting with her aunt, Mrs Emil DeSimple. Wm Wilke was taken to a Sioux City hospital last Friday where he is operated upon for appendicitis. He is improving nicely. Ang Isenbarg, one of the oldest and honorable settlers of Dakota county, passed away at the home of his stepson, Fred Blume, where he has been making his home for the past four years. Mr Isenbarg was born at Kierzye province of Westphalia, Germany, in the year 1836. He was married to Mrs Wilhelmina Blume at that place in 1862 and in 1880 he with his family came to America, settling in Dakota county where with many pioneers he worked hard and did all in his power to make it what it is. He was known and esteemed by his friends as a man who was always good natured and happy and a man whose word was his law. He is preceded by his wife who died in 1888 and daughter, Miss Clara Isenbarg, who passed away in 1906. Four children, Mrs Lizzie Wilkins, Gus A Isenbarg and stepdaughter Miss Maria Blume and stepson Fred Blume, survive to cherish the memory of a loving father. The funeral was held at the home of Mr Blume and conducted by Rev F Athenstaedt. Interment at the Jopp cemetery.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it swells up, and the sound vibrations are intercepted before they can enter the ear. It is entirely cured. Deafness is cured by the use of the Eustachian Tube Restorer. This is a natural process. Hearing will be destroyed forever, unless you are cured by this natural process.
