Remarkable Success of these Talented Physicians in the Treatment of Chronic Diseases

These doctors are considered by many former patients among America's leading stomach and nerve specialists and are experts in the treatment of chronic diseases and so great and wonderful have been their results that in many cases it is hard to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidney, or bladder, rheumatism, acidity, diabetes, bed-wetting, leg ulcers, weak lungs and those afflicted with long-standing, deep-seated, chronic diseases, that have baffled the skill of the family physician, should not fail to call.

According to their system no more operations for appendicitis, gall stones, tumors, goiter or certain forms of cancer. They were among the first in America to earn the name of "Bloodless Surgeons," by doing away with knife, with blood and with all pain in successful treatment of these dangerous diseases.

If you have kidney or bladder troubles bring a two-ounce bottle of your urine for chemical analysis and microscopic examination.

Deafness often has been cured in sixty days.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once.

Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit this time costs you nothing and may help you.

Married ladies must come with their husbands and minors with their fathers.

Offices at Mondamin Hotel, Sioux City, Iowa. Hours 10 a. m. to 8 p. m. South Shore, S. D., Jan. 11, 1911. United Doctors, Minneapolis, Minn.

Dear Sirs:—I thought I would write a few lines to let you know how we are getting along because I think you would be glad to hear. My wife is feeling lots better than she has felt for 8 years after taking about 2 months of your treatment. I will have you give her 4 months more after these 4 run out if I can rustle the money. I am feeling good myself after your 4 months treatment. I think a little more treatment is necessary. Please inform me in regard to this matter if you think it is best.

Yours truly, E. van Meredith.

Mrs A G Olcott, of Clark, S. D., writes the United Doctors are curing her.

Martin Lyndstad, of Volin, S. D., says he is entirely cured of stomach and kidney trouble.

Gene Olson, of Egan, S. D., cured of nervous breakdown.

Wm Parsons, Estelme, S. D., nearly cured of bladder trouble that has bothered him for years.

P H Franz, Aberdeen, says he is doing fine under the United Doctors treatment.

Mrs C C Krogh, Huron, S. D., cured of blood trouble.

E S Zimmerman, of Montrose, S. D., says the United Doctors cured him of piles with one treatment.

Ed Campbell and Joe Hogan were elected members of the board of trustees. Might be good way to cut down expenses. What's the use of election, anyhow.
