A light vote was polled at the primary election held Tuesday afternoon. About 700 voters (mostly from the towns of the county) turned out to help select the party tickets.

The official canvas of the vote will not be made until today, Friday, in compliance with the law, but unofficial figures give the following party nominations:

Republican-W J Manning, treasurer; George Wilkins, clerk; J L Phillips, judge; John L Hazlegrove, sheriff; Wilfred E Voss, superintendent; B F Sawyer, coronar; W L Ross, commissioner 1st district.

Democrat-D G Evans, treasurer; quel of a terrible beating that it is al-John C Hogan, clerk; D C Heffernan, liged Ben Hall, who lives at Crystal judge; C Hansen, sheriff; O W Fisher. commissioner.

The majorities of the different candidates, that had opposition, run from now on his way to South Dakofa to es-65 for Wilkins down to almost zero for Hazleprove for sheriff.

The official returns will be given in the Herald next week, after the can- nesday by the screams that eminated vas has been made.

Hon James Wilson, secretary of agriculture, will address the farmers of Nebraska on "Reciprocity," at the State Fair, September 5th. Owing to the fact that this is a subject of moment in the affairs of the nation and will be one of the leading political issues in the coming campaign, a great gathering may be expected.

The Question of Paint

Is one that should interest-not alone the painters, but all desirous of improving and preserving their buildings and homes. In the Mound City Paint you secure not only a paint of good wearing quality, sun-proof, and reliable in every way, but exactly the heaviest paint on the market, which means that it is made substantially from the purest ingredients known to the industry. Isn't that of value to you? In Mound City barn paint, you secure the genuine oxide of iron paint-no imitation-and furnished in red, slate, brown or yellow. We know you cannot beat these paints for either quality or price. Try them.

Interior Decoration

Is something that should appeal to every housewife-not alone because of improved appearance, but from the standpoint of economy of labor. On these grounds we wish to remind you that we have a new and up-to-date stock of Wall Paper, something to please you. And remember, we also keep the sanitary wall-coating, Alabastine.
