Real estate loans. Geo Wilkins. Fruit of all kinds at Van de Zedde's. The finest spices for preserving, at the Dakota City Pharmacy. The Union Labor festivities and the 101 Bunch show will be the attractions in Sioux City next Monday. "Pioneers and Old Settlers," don't forget you can rest and be refreshed at the Dakota City Pharmacy. L W White and family broke camp at the lake Tuesday and returned to their home at Woodbine, Iowa. Mrs Albert Schumacher and baby came down from Deadwood, S. D. last week for a visit at the Schmidt home. Burt Peppers, of Dow City, Iowa, an old friend of Louis Larsen, spent Friday and Saturday here at the Larsen home. John and Kelly Foltz and W J Hileman went out to Al Challie's farm Monday morning to begin work on a big barn for Mr Challie. Why is it that everybody likes Breun's coffee? because it is the very best coffee on the market for the money. Van de Zedde sells it. Work on the new school building is progressing rather slow. The workmen are now above the first floor, and the walls begin to loom up in fine shape. The many friends of Miss Leila J Keller, who suffered from an attack of diphtheria the past week, are pleased to know she has improved so rapidly as to be quite herself again. Kelly Foltz dropped the end of a six by six on his foot and mashed it—the foot—while working on the barn at Al Challie's place Monday. He has been hobbling around on crutches since. An ordinary case of diarrhoea can, as a rule, be cured by a single dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. This remedy has no superior for bowel complaints. For sale by all dealers. The home of Rev Keller was quarantined last Thursday for diphtheria, his daughter Leila having a mild case of the disease. They were released from quarantine Tuesday, Miss Leila having recovered from the effects of the disease. Mrs Theodore Bliven returned Monday from a visit at Scotland, S. D., at the home of her sister, Mrs Fred Schlieve. Mr Schlieve accompanied her on the home trip and went on to Shebena, Neb, where he will visit at the O B Howard home. Stot Neiswanger returned home Saturday from a month's trip to Cherry Creek, where he spent the time on the C J O'Connor cattle ranch. He had better luck on his homeward trip than he did going out, when he missed his train at Norfolk and had to make his way to the ranch alone. Mrs Caleb Antrim and son, of Greenfield, Idaho, spent the week here at the Charley Antrim home. She will visit hereabouts until after the Old Settlers picnic, when she will return home accompanied by Grandma Antrim of Homer, and Rev Ed T Antrim and family of Beemer, who will make their home in Idaho. S H Moore placed a small advertisement in the Herald last Thursday for the sale of a sow and six pigs and on Saturday the swine were sold and several other inquiries were received by him for the same, all of which goes to show that the Herald brings results in advertising and that when the Raleigh nan advertises anything he has the goods. See! Monte Knepper had quite an experience at the lake last Friday and came near losing a horse during the ordeal. He drove out to the landing at the Evans farm to get a load of melons that were being brought over in a boat and attempted to drive out on the beach to the waters edge when the horse dropped through the crust on the ground and foundered into the lake. Before he could be extricated from the harness he was just about drowned, and came near drowning his rescuers in his attempts to get out of the mire.

## Thursday, August 31st Will Be Gala Day

Buy a good farm on the Dakota county bottom. I have Eimers, it. A baby girl was born to Harry Foye and wife, at their Crystal lake home Tuesday. D D Dryden and family will move to their home here from Sioux City for the winter. Van de Zedde brightened up his store this week with a new coating of wall paper. Spices are but drugs, so why not buy the purest kind, at the Dakota City Pharmacy. A baby daughter of the usual weight arrived at the Hope Dickover home last Saturday. If you want to buy a No. 1 broom, look over Van de Zedde's assortment, he has them from 30¢ up. Remember, crushed fruits of all kinds with ice cream, is served only at the Dakota City Pharmacy. Homer will entertain at the big W O W picnic Saturday. Gov Aldrich will be one of the speakers. Chas Smith came in from Duff, Neb, Monday, and was a passenger to Homer, where he will visit relatives. One hundred suits of gauze underwear, at actual cost price—to make room for winter goods. M E Knepper. The Teddy Bears will go to Akron, Iowa, tomorrow, Saturday, for a game with the Akron boys, and to Lemars, Sunday. Janie Knepper, of Sioux City, visited last week at the T J Knepper home. Daisy Knepper accompanied her home for a week's visit. Rev Ed T Antrim and family arrived here Wednesday, from Beemer, Neb, for a few weeks' visit, before leaving for their new home in Idaho. Deputy U S Marshal John F Sides left Monday on a business trip to Fremont, Columbus, Norfolk, St Edwards and other points in the state. Don't forget on Old Settlers night between dances that you can cool off at the Dakota City Pharmacy; finest ice cream and coolest drinks in town. Rev S L Keller will fill his regular appointments at Salem and Emanuel Lutheran churches, no preventing providence, this coming Sunday, the 27th. Miss Nellie Lindsay came down from Phillips, S. D, last Thursday, and will remain until after the Old Settlers picnic, visiting relatives and old friends. Henry Weigand and family have moved from Laurel to Sioux City, where Mr Weigand has accepted a position as bookkeeper in the Lachaberry wholesale house. Rev and Mrs S L Keller desire to thank their many friends for their kindness and interest shown in various ways during the illness of their daughter, the past week. Prof W L Best, a former assistant principal in our schools but for the past three years principal at Chadron, Neb, was married on August 14, to Miss Annie Ross, of Chadron. Henry Francisco was down from north of Jackson Friday and remembered the Herald for a short visit. Henry is accumulating considerable land in that neck of the woods. Judge G W Norris, of McCook, Neb, representative in congress from the Fifth district of Nebraska, will deliver the Labor address at Riverside park, Sioux City, Monday, September 4. A well known Des Moines woman after suffering miserably for two days from bowel complaint, was cured by one dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by all dealers. Harold Van de Zedde was thrown from a horse Monday and received several bad bruises. The animal got frightened at an automobile and in crossing the street car track stumbled and threw him off. B O Buchanan and Miss Maud Doolittle were joined in marriage last Friday by Rev W R Warren. They have gone to housekeeping in the Chas Conghly house, recently purchased by the groom. Buy it now. Now is the time to buy a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed before the summer is over. This remedy has no reputation. For sale by all dealers. Arminia Powell, daughter of Burt Powell and wife, and Dewain Loomis, son of Eugene Loomis and wife of Omaha precinct, were married by Judge Heffernan on Monday. They have gone to housekeeping in Homer. Cuts and bruises may be healed in about one third the time required by the usual treatment by applying Chamberlain's ointment. It is an antiseptic and causes such injuries to heal without maturation. This ointment also relieves soreness of the muscles and rheumatic pains. For sale by all dealers. The proposition to fill Crystal Lake has been virtually decided upon by the Crystal Lake Improvement association. The outlet from the lake to the river just west of South Sioux City, will be reopened, as this can be done at a small cost compared with the laying of a pipe line at the west end of the lake. Prospects of an automobile speedway on this side of the river are very flattering at present. The Sioux City Automobile club is negotiating with J J Eimers and John F Sides for a tract of land on the north side of the lake on which to establish a speedway and if they come to terms it will mean a big thing for the lake. The Teddy Bears won two good ball games the past week. The first was with the Johnson Eimsitt team of Sioux City, and they were cleaned up 11 to 8. The Bears played steady ball all through the game, and barring one inning when our team ran in five scores, the Johnsons played tight ball. Stinson's home run and a two base hit by McAllister with the bases full accounts for the five runs in the seventh inning. McAllister pitched the first six innings for the Bears and allowed five hits—Londroski the last three and allowed 2 hits. Sunday at Jackson in the championship series for the county Dakota City won handily by a score of 8 to 4. Some of the spectators who had a few dimes up on the result were so badly worked up over the loss that they precipitated a fight, but no one was killed, not even the umpire.

## There is Plenty of Water

in the Big Horn Basin and Yellowstone Valley

All of the rivers and irrigation canals are now running full. The writer has just returned from an extended inspection trip through the Big Horn Basin and Yellowstone Valley, where he found that the farmers have all the water they can use for irrigation; crops are accordingly very fine. Opportunity for Investment. Money invested in Government Irrigated lands, Cary Act lands, or deeded lands in the Big Horn Basin, at present prices is sure to bring large returns for the reason that the farmers of this country are beginning to understand that the Basin and Yellowstone Valley have an ample water supply and that the water comes down from the mountains just at the time when it is needed for irrigation. PERSONALLY CONDUCTED EXCURSIONS. Come with me on one of our personally conducted excursions, first and third Tuesdays, and let me show you the crops that follow a reliable water supply. Write today for our new folder telling all about these lands. It is free.
