The Nebraska Experiment Station has just issued Bulletin No. 125, on "Wheat Breeding Experiments," also Bulletin No. 126, on "Native Seed Corn," discussing the merits of homegrown seed corn in comparison with seed brought from a distance. These bulletins may be had free of cost by residents of Nebraska upon applica-tion to the Agricultural Experiment Station, Lincoln, Neb.

In speaking of his candidacy for republican national committeeman, Victor Rosewater of Omaha says;

"Standing for a position that is purely honorary, and involves only work and expense, I have not felt that it warrants an advertising campaign. not only of my personal labor and financial contributions, but also of a great metropolitan daily newspaper, the value of which, as you know, could be calculated only in thousands upon thousands of dollars.
