veying party which is mapping out a route for the proposed Niobrara-Sioux City electric interurban line, got ensight in about eight feet of water on the opposite side of the lake from the

The surveying party, working under the direction of W E King, serived at the lake Thursday about noon, and wishing to establish a line across the lake, two of the men took off their outside clothing and in their underclothes started to swim across. M: King advised them not to attempt to swim over but to wait and get a boat from Mr Kruger when he came in from and started scross, one of them carry-ing an az with which to set a stake on the opposite side. When a little over haif way across the two men en-countered a thick bed of moss, and be-

To the East-

The deceased man was 23 years old and leaves a wife and baby, besidehis aged parents, to mourn his untimely death .

No inquest was held, as his death was purely accidental, and was with workmen who were all move or less unnerved by the awful tragedy.

How the Trouble Starts.

#### Beware of Ointments for Catarrh that Contain Mercury,

In at contain Acroufy, as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such inticles should never be used except on prescrip-tions from reputable physicians, as the damage they will do is ten fold to the good you can possibly de-rive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mer-cury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you set the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonias free. Sold by Druggists. Price, De. per bottle. Take Hall's Family Pills for constipation.
