Chief Richard thinks Mr Rust has little interest in the case. Saul asserted confidently that Rust would not prosecute him. Evidence of Rust will not be necessary to convict Saul, Chief Richard thinks. The signature on the check, which is held as evidence, corresponds to the address, which was found on Saul's person, which was to have been sent to Rust. Mr Kearney will prosecute. Some confirmation of statements in the letter, to the effect that Saul had been "robbed" by a woman, has been received by Chief Richard. Saul's declared intention of murdering the woman and killing himself is thought by the police to be "moonshine." A scrawl at the end of the letter, which at first could not be deciphered, has been found to contain instructions to his mother to pay Saul's dues in a fraternal insurance order.

Sioux City Journal, 25: Letter declaring the intention of Elmer Saul, alias L T Rust, to kill a woman and himself in Sioux City, yesterday were found on the person of Saul by the police. Saul had been arrested in connection with alleged forgeries. The name of the "fated" woman was not mentioned in a letter addressed to L T Rust, Elk Point, S D. The letter was written, it was stated, at Omaha, and was to be mailed in Sioux City. The woman, Saul wrote had robbed him. Together with requests that his mother should not grieve for him, Saul wrote cynical advice to Mr Rust "Whatever you do, let the dam women alone," he advised. The letter concludes with the request that it be given to the papers. Other scraps of paper found on Saul, dated January 22, bore instructions to those who should find his body. "Telephone to Elk Point," wrote Saul. "Tell mother not to worry about me, for I have been a fool." Saul yesterday presented a check for \$10 at the Mid-West bank, Sioux City. Saul talked over the telephone to the First National bank at Elk Point and that bank indorsed his request for money. Later the Elk Point banker saw the real Mr Rust pass the bank and telephoned Ed T Kearney, of the Mid-West bank, that the other man was a fraud. Mr Kearney found Saul and obtained his money. Chief of Detectives J B Richard arrested Saul. Saul left Elk Point for Sioux City yesterday, the police think. A bad check for \$100 was passed at Elk Point by a man answering Saul's description, it is said. Saul is being held in the women's ward at the city jail. Saul was employed at the McLean home, near the place of Mr Rust, Chief Richard is informed.

Hatch was in town Tuesday and pecked up his barber outfit and shipped it to Homer... Ars Hale has purchased a new Ford car of the local agent, Chas Lovel, last week. This car will come in handy in the livery business.

Sioux City Journal, 28: W B Hogan, who was arrested at Sac City, Ia, at the request of the Sioux City police, is wanted in Dakota county, Neb, and at Council Bluffs, Ia, it is said at the police station. Sheriff Frank Mahon, of Dakota county, today conferred with Chief of Police Michael O'Shounesey in the chief's office concerning Hogan. Hogan is alleged to have stolen an automobile from a Dakota county resident.

Sioux City Journal, 29: Mrs Ella Duggan, for many years a resident of Sioux City, died at her home, 323 Fourteenth street, at 12:30 o'clock this morning, following a long illness of pernicious anemia. Mrs Duggan was born in Galeza, Ill, November 16, 1856. She came to Sioux City with her husband, Dennis Duggan. Mr Duggan died here in 1904. Mrs Duggan is survived by three children, two daughters and a son. They are Miss Marie Duggan and Miss Abbie Duggan and Clement J Duggan.

Homer Star: Born, on Sunday night, to Mr and Mrs Grover Davis, a big ten pound boy... Mrs Harris left on Thursday of last week for a month's visit at points in Wisconsin... Dan Rockwell left Tuesday for Tennessee on a land seeking trip. He expects to be gone several weeks... J E McKisley left Wednesday for Crofton, Neb, where he has started a barber shop. He will move his family when he finds a suitable dwelling... O N Haley, who was employed at the Edwards & Bradford Lumber Co, has been transferred to Oelridge, Neb, where he will work for the same company.

Winnebago Obsequies: C O Frum returned from Omaha Friday evening, where he had been as a witness on some liquor cases... Mrs M S Mansfield went to the Samaritan hospital, in Sioux City, last Saturday evening for treatment. We learned on Tuesday that she had been operated upon and is getting along nicely... Fred Leedom, formerly of Winnebago, says that he is going to buy all the shares in the new electric car line through Winnebago and Homer that he can. He says he is all determined to be a street car magnate in spite of all Joe Bleakiron can do to him.

Sioux City Journal, 26: Ed T Kearney, president of the Mid-West bank, who captured Elmer Saul, alleged forger, Friday morning, will file a charge against Saul and will press the case. Saul will be arraigned tomorrow morning in the police court, it is expected. Saul expressed confidence that L T Rust, whose name Saul is said to have forged, would not push the case. A reference to "Mack" in one of the letters found on Saul's person is now thought by the police to be an admission of guilt in the passing of a check for \$100 that bore the forged signature of a Mr McLean, for whom Saul worked near Elk Point, S D.

Sioux City Journal, 27: Elmer Saul, alleged forger, sulks in his cell at the police station and refuses to answer questions. He will be arraigned this morning in the police court on the forged charge, states J A Richard, chief of detectives. No official word has been received by Chief Richard from L T Rust, of Elk Point, S D, whose name was signed to the check passed in Sioux City by Saul. As the money paid out was recovered by Ed T Kearney, president of the Mid-West bank, and no loss accrued to Rust,

## HEAVENLY MANSIONS IN FATHER'S HOUSE

### Jesus Now Makes Ready For His Bible, the Church.

Places For Humanity and For the Angels of Various Degrees, Cherubim, Seraphim, Principalities and Powers, but None Previously Prepared for the Bride—She is God's New Creation—Here to Be the Highest Place, the Divine Nature.

PASTOR RUSSELL

Buffalo, N. Y., Dec. 15.—We report one of Pastor Russell's discourses here today from the text, "In My Father's House are many mansions; \* \* \* I go to prepare a place for you; \* \* \* I will come again and receive you unto Myself."—John xiv, 2, 3.

The Heavenly Father "dwelleth not in temples made with hands." In the largest sense the whole Creation is His House, every apartment of which shall ultimately be peopled with holy, happy beings. "All the wicked will He destroy."—Psalm cxi, 20.

Man's fallen condition is the result of heredity. God made Adam in His own image, perfect, upright, holy. Disobedience and sin have wrought mental, moral and physical infirmities, and "There is none righteous, no, not one." All are prone to sin "as the sparks to fly upward."

God provided Adam a mansion—the earth—Paradise. But sin (not unforeseen) brought Adam and his race under a death sentence. God chose to permit sin and death to reign during Six Great Days of a thousand years each, thus to give valuable lessons to both angels and men. He does not intend that this lesson shall work disadvantage to any. He has provided a great Redemption, which shows His sympathy for His creatures and the unchangeableness of His Law.

The Divine Program for dealing with this rebellious province is to be carried out by the Kingdom of Messiah, during the Seventh Great Thousand-year Day. Satan and every evil influence shall be restrained. "The Sun of Righteousness shall arise with healing in His beams," and the curse of death will be set aside. Man will be assisted toward righteousness and life everlasting by the interposition of the Kingdom for which we pray. "Thy Kingdom come; Thy will be done on earth, even as it is done in Heaven."

Humanity's Mansion—Perfected Earth.

At the close of Messiah's reign the "mansion" appropriated to Adam and his race will be fully released from the curse, and God's footstool will be a glorious Paradise. (Isaiah lx, 13.) All refusing the blessings of Messiah's Kingdom will be destroyed by the Second Death.—Acts iii, 23; Rev. xx, 14, 15.

While there were places arranged in the Divine Plan for the angels, and for humanity, no habitation was perfected for the Church. This is because the Church is a New Creation.

Writing of these, St. John says: "The world knoweth us not, even as it knew Him not." St. Paul refers to this New Creation as the "ministers of God." All of these demonstrate their faith and obedience by walking the "narrow way" of self-sacrifice, "by faith and not by sight." To all of them it is declared, "Through much tribulation shall ye enter the Kingdom." But this class have the assurance that "all things work together for good to them"; that they "shall not be tempted above that they are able to bear."

This New Creation is "made a spectacle to angels and men"; God is giving the angels a great object lesson in connection with the development of this class. He is able to transform some of the mean things of this world into polished "jewels," "a royal diadem in the likeness of thy God."—Malachi iii, 17; Isaiah lxv, 3.

Heavenly Mansion For Church.

St. Peter tells about the "mansion" designed for the Church, saying, "God hath given unto us [consecrated followers of Jesus] exceeding great and precious promises, that by these we might become partakers of the Divine nature."—II Peter i, 4.

Thus we see what it means to be members of the New Creation! "Eye hath not seen; ear hath not heard; neither have entered the human heart the things which God hath in reservation for them that love Him"—the choicest mansion, the highest place! As our Lord Jesus in His Resurrection ascended "far above angels," so will His Church, who will share His Resurrection, and be made "like Him." "see Him as He is," and share His glory.

The Master's death was for humanity in general, but its merit remained to be appropriated at the inauguration of His Kingdom. The whole world still "lieth in the Wicked One," until Christ makes satisfaction for their sins with the merit of His sacrifice.

Meantime, our Lord deals merely with His Church, as we read: "He appeared in the presence of God for us" (Hebrews ix, 24)—as the Church's Advocate, to make "satisfaction for our sins." The preparation in us and for us will be completed when the number is full—144,000. It is for us to comply with the conditions of our covenant of sacrifice and to "walk in His steps," thus to make our "calling and election sure," as members of the New Creation.
