> Pastor Russell at Washington Temple. The Beginning of His Pastorate. Texts For Three Discourses Found on the Front of the Union Depot. The Message of the Hour-Not the Burning of the World, but the Rolling Away of the Curse and the Uplift of Humanity Will Result From Messiah's Kingdom.

Washington, D.C., Jan. 5.-Pastor Russell of Brooklyn last week accepted a call from the Washington Temple Congregation, New York Avenue and Thirteenth Street. After some appropriate remarks re Washington as the only center of influence su-PASTOR RUSSELL perior to Brooklyn

and on an equality with London, he took for his text one of the three Bible quotations found over the portals of our Union Depot; "Thou hast put all things under him." -Psalm vill, 6.

Pastor Russell declared this text specially appropriate for a great public building reared in the dawning of the glorious Age of Messiah's Kingdom. Although optimistic respecting the grand outcome of the Creator's Plan, Pastor Russell fully believed the Bible to teach that, preceding the sunrise of the New Age, there would be a dark hour of awful trouble, which is almost upon us,

He reminded his hearers that the old view now gradually fading from us is that Messiah, instead of coming a sec ond time and setting up His Kingdom, delegated authority to His followers one of whom should be spiritual king of the world and entitled Pope. Under this mistaken notion, well-meaning men have declared that if the Hierarchy of Christ were authorized to reign, it should use the secular arm of power to compel all to acknowledge the papal throne as God's Throne, on earth. It is still claimed that each Pope in turn is Christ's vicegerent.

Napoleon broke this spell when he took the Pope a prisoner to France. The world since then has doubted the vicegerency and has held that if the Lord's Kingdom were in the earth, Divine Power would have upheld it, and no dishonor or ignominy would have been permitted.

#### The Bibie Much Neglected.

The creeds have been reverenced, while the Bible has been neglected under the superstition that the creeds presented the Bible teaching in a simpler form. The rejection of the creeds has meant also the rejection of the Bible. The colleges of Christendom are turning out unbellevers. The horrible consequences will soon be manifest in

#### Man a Little Lower Than Angels.

The Psalmist, considering the heav ons as God's handlwork, was amazed that He should promise to deliver fallen man. He recites the glory and honor in which Adam was created-the head of all earthly things, in the likeness of God, "a little lower than the angels."

St. Paul quoted the prophecy and ap plied it in Hebrews II, 6-18. The Logos was made flesh like the first Adam, "that He by the grace of God might taste death for every man." 'The work of delivering the world from the power of sin and death had not followed more quickly the work of Calvary because, in the Divine Program, Christ must, WHY first lead forth an "elect" number of sons to glory. With the completion of their number will come the glorious time when the curse shall be rolled away and blessings come instead.

#### The Sanctifier and the Sanctified.

The word sanctified, the Pastor explained, carries the thought of being set apart to some special service. As the Lord Jesus sacrificed His every earthly interest to do the Father's will, so must all who would sit with Him in His Throne, St. Paul declares that the Sanctifier and the sanctified ones are all one-He the Head and they the Body members.

Then the Divine Program will carry blessings to all the families of the earth, redeemed with the precious blood of Jesus. These will partake of flesh and blood, therefore the Redeemer became partaker of the same, that He might not only redeem them. but destroy death and the destroyer. He will liberate the slaves of sin and death, roil away the Curse, and open the prison-house of the tomb. Thus all will have fullest opportunity of returning to the image of God, Divine fellow ship and life everlasting.

over to Messiah at His Second Advent: "Ask of Me, and I will give Thee the heathen for Thine inheritance, and the uttermost parts of the earth for Thy possession." By the exercise of Divine Power Satan will be restrained and ultimately destroyed. Then the perfect earth will be delivered over to God. as St. Paul points out In I Corinthians xv, 25-28.
