### A Nervous Woman Finds Relief After Many Years

Women who suffer from extreme nervousness, often endure much suffering before finding any relief. Mrs. Daniel Kintner, of Defiance, O., had such an experience, regarding which she says:

"I had stomach trouble when I was eighteen years old that broke down my health, and for years I suffered with nervousness, headache, indigestion and nervous spasms. The symptoms got so bad I would have been three or four times a week after trying nearly every remedy recommended. I began taking Dr. Miles' Nerve and I must say it helped me wonderfully. I have had no severe nervousness for several years."

MRS. DAN KINTNER,  
1022 Pleasant St., Defiance, O.

Many remedies are recommended for diseases of the nervous system that fail to produce results because they do not reach the seat of the trouble. Dr. Miles' Nerve has proven its value in such cases so many times that it is unnecessary to make claims for it. You can prove its merits for yourself by getting a bottle of your druggist, who will return the price if you receive no benefit.

#### Many Going to Circus

The Barnum and Bailey Greatest Show on Earth is attracting unusual interest this season with its wonderful program of European novelties. It's rebuilt parade, its complete menagerie, and its recently added \$500,000 wordless spectacle of "Cleopatra," all of which will be seen in Sioux City, Aug 5. The parade, which takes place at 10 o'clock in the morning, is three miles in length. In the menagerie will be found the only baby giraffe on exhibition anywhere on earth. The inaugural spectacle of "Cleopatra" is produced on the biggest stage ever devoted to an open air amusement. It is erected in the main tent of the show. There is a cast of 1,250 characters, a grand opera chorus of 400 voices, an orchestra of 100 musicians, a ballet of 350 dancing girls, 650 horses, five herds of elephants, caravans of camels and an entire trainload of special scenery, costumes and stage effects. This is the greatest spectacular, the attraction, and circus event in the history of amusements in America.

Among the many European novelties on the regular program which follows the spectacle, are Miss Bird Millman, the wonderful high wire artist, and novelty acts by a company of Japanese warriors and jiu jitsu experts, Winatch's riding and juggling seals, the Herr Koenig's troupe of statue-building, dancing and jumping horses, a brass band of stallions, Berzaco's mule and monkey circus, the Sigrist-Silben family of high air vaulters and somersaulters, Mae Wirth, the greatest bare back and somersault rider in the world; The Five Baltons, world's greatest strong men and women; Victoria and Georgy, strong arm dancers.

Lee Hardy and Lee Deke (family of acrobats), five herds of trained elephants, and the fifty funniest clowns in the world.

The two performances that will be given in Sioux City will be exactly the same as those presented at Madison Square Garden, New York, where the season was opened in March. Not one detail has been changed.
