ALFALFA The Prince of Monaco was amazed at the "Twenty Miles

of countless stacks of alfalfa" on both sides of the Burlington through the Government Shoshone Project near Powell, Wyo., and was further surprised to learn that all this wonderful development had taken place with in five years.

Farmers are Making Money feeding this alfalfa to sheep, beef steers, dairy cows and hogs-the easiest and most profitable kind of farming.

Go with Me to the Big Horn Basin and file on one of these Government irrigated homesteads where alfalfa means money. You Have Ten Years' Time without interest to repay the Government the actual cost of water right and you have plenty of water for irrigation. Yon pay down \$4.70 per acre and then skip two years before next payment.
