#### Storm of Trouble is Near.

Bible students are convinced that the great storm of trouble upon the Church school will give the following is very near. We need not prophesy concerning its character. We are to outside of college. remember, however, that the majority of the storms upon the Church have some from professed people of God, rather than from the world. The Scribes, Pharisees and Doctors of the

Law really crucified Jesus, as St. Peter declared.-Acts 3:13-15. Our expectation is that the Church

will have its most trying experiences from professed brethren. Church Federation has a sincere and innocent to fortify sectarianism? Should we not expect that, when it shall gain the measure of political influence and power indicated in the symbolic book of Revelation, those holding a simple faith in God and His Word, and strivwork for equal suffrage. ing to walk the narrow way, will be misrepresented, slandered and eventu-

ally hindered from the Lord's service? The Lord seems to indicate that His Church will be perfected on the Heavenly plane before the world's tribulation shall break in fury. True, the Church may escape in the sense of beunaffected by it; but we think not. We believe that the Church will have passed into glory before the culmination of

the world's Day of Wrath.

basket ball between Homer and Dakota. Both sides deserve much credit for their clean playing and it was anyoces game until the whistle blew on the score of 8 to 7 in Homer's favor.

Taking everything into consideration it was a fine day and Dakota City can well be proud of entertaining such a meet. The event will probably be repeated next year and we hepe to make a better showing in the track and field events.

With the girls improving in basket ball every day we have nothing to fear of defeat in that line.
