Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is they become tightly clogged with waste, liver gets sluggish, stomach sours, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad. system full of cold, has sore throat, stomach-ache or diarrhoea. Keep Your Locks Youthful, Dark, Glossy and Thick With Garden Sage and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture though, at home is mussy and troublesome. For 50 cents you can buy at any drug store the ready-to-use tonic called "Wyeth's Sage and Sulphur Hair Remedy." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. You will also discover dandruff is gone and hair has stopped falling.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur and look years

The prize dog became ill and died. Because of her great love for the dog, Mrs. Shafer attempted to give it a decent interment. In this she was not successful, because local cemeteries refused to allow the dog to be burled in a cemetery lot the same as humans.

In this connection, it may be well to note that "Teddy Miller," a rat-terrier, holds the record in Milwaukee for having the largest funeral, as well as the largest dog monument.

When "Teddy" was buried, seven carriages made up the funeral procession, one being filled with flowers-offerings from friends made during his lifetime.

# Jeweler's Son Sells Three Watches for a Penny

For two weeks Louis had been watching the store. His parents told him he would be well paid for his

services and they gave him a bank in which to place his earnings. Mrs. Dolberg remained in the rear apartments while her husband was out on business. Louis' "customers" would ask for three watches or three rings and flip

him a penny, a nickel or a piece of candy. He would drop the coins into his bank and eat the candy, feeling satisfied he had made a good trade.

Louis kept his operations secret. The police were told of the disappearance of the watches and rings. Detectives could do nothing.

The other evening Mrs. Dolberg saw her son handing three rings to a "customer." The latter, seeing her, ran. Louis explained later the disappear ance of 15 watches and 14 rings. Louis' bank showed a deposit of \$1.25, Detectives were again put on the case to recover the goods he "sold."

## Praise Lydia E. Pinkham's Vegetable Compound

Women from the Atlantic to the Pacific, from all sections of this great country, no city so large, no village so small but that some woman has written words of thanks for health restored by Lydia E. Pinkham's Vegetable Compound. No woman who is suffering from the ills peculiar to her sex should rest until she has given this famous remedy a trial. Is it not reasonable to believe that what it did for these women it will do for any sick woman?

## Wonderful Case of Mrs. Crusen,

### of Bushnell, Ill.

BUSHNELL, ILL.—"I think all the trouble I have had since my marriage was caused by exposure when a young girl. My work has been housework of all kinds, and I have done milking in the cold and snow when I was too young to realize that it would hurt me. I have suffered very much with bearing down pains in my back and such miserable pains across me, and was very nervous and generally run down in health, but since I have taken Lydia E. Pinkham's Vegetable Compound my back never hurts me, my nerves are stronger, and I am gaining in health every day. I thank you for the great help I have received from your medicine, and if my letter will benefit suf-fering women I will be glad for you to print it."-Mrs. JAMES CRUSEN, Bushnell, Illinois.

### A Grateful Atlantic Coast Woman.

Hopopon, Mr.—" I feel it a duty I owe to all suffering women to tell what Lydia E. Pinkham's Vegetable Compound did for me. One year ago I found myself a terrible sufferer. I had pains in both sides and such a soreness I could scarcely straighten up at times. My back ached, I had no appetite and was so nervous I could not sleep, then I would be so tired mornings that I could scarcely get around. It seemed almost impossible to move or do a bit of work and I thought I never would be any better until I submitted to an opera-tion. I commenced taking Lydia E. Pinkham's Vegetable Compound and soon felt like a new woman. I had no pains, slept well, had good appetite and was fat and could do almost all my own work for a fam-ily of four. I shall always feel that I owe my good health to your medicine."—Mrs. HAYWARD SOWERS, Hodgdon, Maine.

For 30 years Lydia E. Pinkham's Vegetable 6 Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this fa-mous medicine made from roots and herbs, it has restored so many suffering women to health. Write to LYDIA E.
