Ordinance No. 237. An Ordinance Providing for the Manage-ment of the Water Works of the Vil-

lege of Dakota City, Nebraska, Establishing Water Rates and Regulations for the Government of Water Con-sumers and for Protecting Said Water Works, including Pipes, Hydrants and Other Apparatus From Injury, and Providing Penalties for the Violation of the Provision Thereof.

of the Provision Thereof.

Be IT Ordained by the Chairman and Boarn of Trusters of the Village of Dakota City, Nerhaska;

Section 1. That the rules, regulations and water rates bereinafter provided shall be the contract with every person, company or corporation who is supplied with water through the water works system of the Village, and every such person company or corporation by taking water shall be bound hereby; and whenever any of these provisions, of such others as the Board of Trustees may hereafter adopt, are violated, the water shall be cut off from the building or place of such violation, even though two or more parties may be receiving water through the same tap, and shall not be again turned on except by order of the the Water Commissioner and on a payment of the expense of shutting it off and turning it on, fixed at \$1.00, to be paid to the Water Commissioner, and upon a satisfactory uncarstanding with the party that no further cause for complaint shall arise, and in case of such violation any payment made for the water by the person committing such violation shall be thereby forfeited to the Village.

Section 2. Every person desiring water

of such violation any payment made for the water by the person committing such violation shall be thereby forfeited to the Village.

Section 2. Every person desiring water from the Village must make application therefor to the Water Commissioner upon blanks to be furnished by him for that purpose. The application must state fully all the uses for which the water is intended, and no different or additional use will be allowed except by permission of the Water Commissioner. Not more than one house shall be supplied from one tap except by special permission of the Water Commissioner. No permit to use water upon any such application shall be granted for a period of less than one quarter, and all fractions of a quarter shall be granted for a period of less than one quarter, and all fractions of a quarter shall be charged and considered as a full quarter.

Section 3. All water supplied to consumers shall be measured by meter of standard construction, which meter shall be furnished to consumers by the Village of Dakota City at the cost price of said meter, and no water shall be furnished to consumers except "he same be measured by meter furnished." Said Village.

Section 4. Water will not be turned into any have a private service pipe except upon the error the Water Commissioner or his duty authorized agent, nor until the applicant shall have paid rent due for the current term; and plumbers are strictly prohibited from turning the water into any service pipe except on such order. This rule not to be construed to prevent any plumber admitting water to test pipes only. Section 5. No consumer shall supply water to other persons nor suffer them to take it off the premises, nor after water is introduced into any building or upon any premises, shall any person make or employ any plumber or other person to make, tap or connect with the pipe upon the premises for alteration, extension of attendment without permission of the Water Commissioner.

Section 6. A fee of seven dollars shall accompany the application, provided for in

thehment without permission of the Water Commissioner.
Section 8. A fee of seven dollars shall necompany the application, provided for in section 2, of this Ordinance, which seven dollars shall be used by the said Village for the purpose of defraying the expense of materials used in bringing the water to the curb line of premises, for which such application is made, and materials furnished by said Village in bringing said water to the curb line shall be, one goose-neck, one corporation cock, one stop cock and stop box.

Section 7. Partles owning property at a

one corporation cock, one stop cock and stop box.

Section 7. Parties owning property at a distance from the mains of said water works, may make application to the Board of Trustees of said Village to the property for which application is made, and if the Board of Trustees of said Village to the property for which application is made, and if the Board of Trustees of said Village after investigation and after the approval by the Water Commissioner shall deem it advisable and allow said applicant to construct said mains, then in that case said applicant may lay said two-inch main at his own expense and at a price to be agreed upon by applicant and said Board of Trustees, and the applicant constructing said mains shall be allowed credit for the amount of water used upon cost of construction of said mains, and water rents so carned shall be applied to the payment of cost of constructed shall be fully paid for, after which time said mains shall be the property of said Village, provided however, the Village shall at all times have the right to allow the owner of the property abutting upon said two-inch mains, to tap same for water supply as though said main had been laid by the Village of Dakota City, in the litest instance.

Section 8. The Water Commissioner, persection 1.

list doy the vision of the first instance.

Section 8. The Water Commissioner, personally or by agent, shall have free access between the hours of 7 A. M., and 6 P. M., to all premises or buildings where water is delibered or consumed for the purpose of

examining the pipes and fixtures and the manner of using water and the amount used.

Section 9. No person shall make any addition, alteration or change whatever, or employ any plumber to make repairs in or about any water cock, service pipe, hydrant or other water fixture, without first having secured a permit from the Water Commissioner and paying the reasonable and fixed charges therefor.

Section 10. No hose shall be used by the consumers of water unless application has been made therefor and granted by the Water Commissioner, nor shall any hose be used without a nogzle, which nozzle shall not exceed by linch in diameter, provided that hose for sprinkling grounds, lawns, gardens, and washing windows, shall be used only from the first day of April to the first day of October, and shall be used between the hours of 6 and 9 in the forenoon, and 6 and 8 in the afternoon.

Section 11. The Village of Dakota City reserves the right to shut off or remove water from the mains for the purpose of making repairs or extensions to the water works after reasonable notice shall have been given to all consumers affected by such cutting off of the water supply.

Section 12. When water has been turned off from any consumer for non-payment of water rents or violation of the provisions of this Ordinance, the consumer shall not turn the water on or permit it to be turned on without the written consent of the Water Commissioner.

Section 18. All consumers shall keep

Johnnissioner.
Section 18. All consumers shall keep their own service pipes in good repair and shall protect them from frost at their own

chall protect them from first and expense.
Section 14. The following shall be established as the waler rates to consumers of water from the water works of the Village of Dakota City. Nebraska:

METER RATES.

MINIMUM RATE.

MINIMUM RATE.

15.00 per year.

Water rents payable quarterly.

Section 15. No person shall willfully, negligently or carefessly break, injure or interfere with or disturb any building, machinery, apparatus, fixtures, attachments or appurtenances of the water works of this Village, or any public or private hydrant, hose, water trough, stop-cock, meter, water supply, or service pipe, or any part thereof, or shall any person deposit anything in any stop-cock or box, or commit any act tending to obstruct or impair the use of the same.

same.
Section 16. All hydrants erected in said Village for the purpose of extinguishing fire are hereby declared to be public hydrants, and no person or persons (other than members of the fire department, and then only for the use and purposes of said department, or persons espe inly authorized by the Village or Watert ommissioner, and then only in the exercise of the authority delegated by said Village or Water Commissioner) shall open any of the said hydrants or attempt to draw water from same, or at any time uncover or remove any commissioner) shall open any of the sain hydrants or attempt to draw water from same, or at any time uncover or remove any protection from said hydrants or in any manner interfere with same.

Section 17. No person shall make any excavation in any street or highway within six feet of any laid water pipe while the ground is frozen, or dig up or uncover so as to expose to the frost any water pipe or sewer of the Village, except under the direction of the Water Commissioner.

Section 18. Any person violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not less than Ten bollars nor more than One Hundred Bollars, and shall pay the coasts of prosecution and stand committed to the county jail until such fine and coats are paid.

Section 18. This Ordinance shall take effective or the provisions of the sand coats are paid.

paid.
Section 19. This Ordinance shall take effect and be in force from and after passage and publication as required by law.
Passed the 6th day of April, 1915.
