Purf Powell, of Kennebuc, Iowa, was here Sunday enroute to Winnebago, Nebr., where his family is under quarantine in the home of their daughter, Mrs. Dewain Loomis, with scarlet fever. Miss May Broyhill left last Thursday for Alliance, Nebr., to see her father, Jas. Broyhill, who is in a hospital there for treatment for paralysis. Word was received from Miss Broyhill after her arrival at Alliance that her father was stricken while working in the potato field, one side being totally paralyzed. He was taken to a hospital at Alliance, about forty miles north of his home town, Lynn. His condition is very serious, and his physician offers but little hope for his recovery. His son, Irving Broyhill, departed for Lynn Monday, to look after the stock and crops on his father's farm.

The Dakota County Sunday School association held its twelfth annual convention in the Dakota City M. E. church Monday and Tuesday. Representatives from practically every Sunday school in the county were present at the different sessions, and the enrollment showed an attendance of over four hundred. Reports were rendered by the department superintendents at the Tuesday forenoon session, and the officers—J. S. Ratoon, president, and Miss Emma Mitchell, secretary-treasurer, both of South Sioux City, were re-elected. W. H. Kimberly and Miss Margaret Ellen Brown, state Sunday school officers in charge of the convention work, gave splendid talks during the sessions. The music rendered by a choir of mixed voices was a pleasing feature of the sessions. The next annual convention will be held at Homer. Saturday night as W. L. Ross drove home in his car after closing his store at about 9:30, he was attacked by a hold-up artist as he drove into the alley to put his car in the barn. The man who made the attack sprang from the ditch near the sidewalk and struck at him with a dogwood club three or four feet long, and big enough to have killed him had it reached the mark. Mr. Ross got a glimpse of the weapon aimed at his head, and by a quick move dodged the blow, the club striking the side of the auto seat and barely grazing the side of Mr. Ross' head, not even dazing him. The club bounced from the highwayman's hand into the car, and seeing the game was up the man disappeared. It was a narrow escape for Mr. Ross, and was no doubt planned by some one familiar with the surroundings and with Mr. Ross' custom of closing his business house. This cowardly attempt on Mr. Ross' life for a few paltry dollars comes as a sequel to the poisoning of Sheriff Cain's bloodhounds a few weeks ago. The fellow who attempted this job undoubtedly didn't want a bunch of bellowing hounds on his trail. If it has come to a pass where it isn't safe for a man to carry more than thirty cents in his jeans for fear of being slugged and robbed, let's all carry "automatics" and learn to use them. A man that puts a hold-up artist out of commission should receive a handsome and elaborate chromo.

Davis, in South Sioux City, was consumed by fire early Monday morning. It was known as the old Savidge place, and was a landmark of early days. Robert L. Cheney came down from his ranch near Hardinggrove, S. D., with a shipment of fat cattle and is spending a few days at the home of his mother west of town. Mrs. Esther Harden went to Homer the first of the week to look after the C. J. O'Connor household while Mrs. O'Connor is away on a month's trip to the Pacific coast. Frank B. Buckwalter, of Sioux City, who recently strained his knee while playing golf, was able to be out Monday on crutches, and it will be several days before he can dispense with them. Miss Beatrice Nordyke, of Allen, Ia., a former Dakota City girl, was married Wednesday of last week at Lincoln to C. E. Taylor, of Torrington, Wyo., where the newly-wedded couple will reside. According to Wednesday morning's Sioux City Journal Edward Paul, Clay Pile, Charlie Barnett, and James Harnett, of South Sioux City, were arrested Tuesday evening, on a charge of having picked a purse containing \$15, from the pockets of Edward Carroll in a Sioux City saloon.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; also cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circular, free. P. C. HILLENY & CO., Toledo, O. Sold by Druggists. The Most Popular Girl in Town

THE GIRL at "Central" is the most talked to girl in town. She has a speaking acquaintance with hundreds of people who wouldn't know her if they saw her. And yet how little is known about the sweet-voiced miss who greets us with such exceptional courtesy from over the wire.

The telephone operator is chosen for her clearness of voice, her courtesy and for her intelligence. These qualities enable her to do her part in furnishing the highest grade of telephone service. It takes two people, however, to make a telephone call—you and the operator.

You'll be doing your part as well as the telephone operator does hers, if you'll observe these four simple rules when you make a telephone call: (1) Get the right number out of the Directory. (2) Talk directly and distinctly into the transmitter. (3) Listen carefully when "Central" repeats your number and correct her if she misunderstands. (4) Answer your telephone bell promptly.
