#### Opening of Valuable Government Irrigated Homestead Lands 43 Farms, 30 to 160 Acres Each.

ocation and Character of these Lands: From three to ten miles north of C. B. & Q. R. R., nearest Bayard and Minitare, Nebr., in the North Platte Valley. They are well adapted for alfalfa, small grain, corn, sugar beets, live stock, dairying, ERMS; Land is free. Permanent Government water right costs \$55 per acre, 20 years' time, payable \$2.75 per acre down, no further payments for five years, no interest charged. How to Obtain a Farm: If you are interested in the method of opening these farms between March 19th and 24th, or the location of 41 additional Government-irrigated farms now open to entry, write me at once. There is no time to lose, if you would become the owner of one of these very valuable

farms. Our publication, "The North Platte Valley," free on re-

quest, will give one an excellent idea of this desirable locality. S. B. HOWARD
