Items of Interest Gleaned from Our Exchanges

Wakefield Items in Wayne Democrat: Mrs. Walter Miller, of Dakota City, spent a couple of days last week at the home of her parents, Mr. and Mrs. August Samuelson.

Wayne Democrat: L. J. Court-right went to Hubbard Monday morning to figure on the work of papering and painting for Mr. and Mrs. L. B. Palmer at their new farm home near that place.

Sioux City Journal, 16: Died—In Sioux City, Ia., March 15, 1916, in a hospital, the infant son of Mr. and Mrs. John O'Connor, of Hubbard, Neb. The body will be sent to Hubbard this afternoon for burial.

Wynot Tribune: J. W. O'brey, who formerly resided in Wynot, came up from Walthill Monday to visit old friends and attended to business here. Mr. O'brey would like to sell his residence property in this place.

Ponca Journal: Sunday afternoon a few of Ponca's younger generation made an auto trip to South Sioux City to pay their respects to a portion of the city's fair sex. On their return trip they spent the greater part of two hours in a mud hole just to the left of the lake road.

Allen News: Miss Lizzie Lockwood returned Monday to her home at South Sioux City, after an extended visit here with relatives and friends. The Charley Priest family left Monday for Sioux City for a visit with his mother. They are planning on locating in Homer again.

Obert Tribune: Heikes brothers, from Dakota county, have leased the Hurni ranch north of Obert for a term of years and have been moving their stock and other personal property to the ranch the past week. They are successful farmers and stock raisers and will no doubt succeed on this ranch.

Sioux City Journal, 17: Thomas J. Hartnett, of Jackson, Neb., held his first sale of Hereford cattle at the Sioux City stock yards Wednesday. There was a good crowd of buyers and the seventy-four head brought the high average of \$378. Most of the cattle will go to South Dakota farms. So pleased was Mr. Hartnett with the outcome of the sale that he proposes to make it an annual event.

Pender Republic: Mrs. Leon Ream came down from Homer Tuesday for a visit with her mother, Mrs. Emma Van Valin. Mrs. P. M. Shearer, wife of operator Shearer, returned Wednesday from a brief visit with her parents, Frank Uffing and wife at Hubbard. W. I. Wiltse was home over Sunday. He says the condition of the young lady whose place he is filling in the bank at Homer is unchanged and he cannot tell how long he will be at Homer.

Emerson Enterprise: Mrs. John Smith, of Hubbard, spent a few days the past week in Emerson with her sister, Mrs. Nels Feato, and other relatives. Mrs. Frank Heaney took her two little daughters, Gladys and Ardis, to Sioux City last Friday, accompanied by Dr. Evans, and had their tonsils removed. The little girls came home the following day, and have suffered no ill effects from the operation. Joe Maurice, who moved his household effects to South Dakota sometime ago, was in Emerson the latter part of last week, and took his family to their new home. Joe says he likes the country fine and thinks his prospects are very encouraging.

Lyons Mirror: Our cousin, Wm. Warner, of Dakota City, has filed as a republican candidate for congress from this district. If he had made the race two years ago we believe he could have beaten Dan Stephens by a big majority, and even now he will give Dan the chase of a life time. N. J. Maun, of Tekamah, attended the funeral of Dr. A. T. Hill, and few of our people knew it. There was a time when, if Mr. Maun had visited any town whatever in northern Nebraska he would have attracted unusual attention as a son of the late John H. Maun, one of the noblest pioneers who ever lived in Nebraska, his home being at Jackson, in Dakota county. He was a civil war soldier, county superintendent, county surveyor, and highly honored and respected by all who knew him.

Ponca Advocate: Mrs. Hash went to South Sioux City Monday to take

care of her daughter. Mrs. John McQuillen and Miss Lizzie O'Connor were in Jackson last Thursday. Mr. and Mrs. T. T. Harris spent Sunday in South Sioux City with Mrs. Harris' parents. Mr. and Mrs. C. E. Armbricht, of Dakota county, were dinner guests last Sunday at the home of Mr. and Mrs. Fred Rogosch. Mrs. M. M. Lattin, of Dakota City, visited her daughter, Mrs. Ben Hall, for a couple of weeks, returning home last Saturday. Mrs. Twohig and daughter, Margaret, of Jackson, came up Sunday and visited at the home of Mr. and Mrs. Joe Davey until Monday noon. Mrs. John Nelson went to South Sioux City last Saturday to visit her son, and from there she will go to Brooken, Minn., where they will make their home. Mr. Nelson left with their car of goods on Friday.

Sioux City Journal, 21: Elmer Johnson, about 23 years old, of South Sioux City, was brought to Sioux City yesterday from Cherokee, where he was arrested on a charge of taking part in the theft of the automobile of A. L. Olson, 1220 Jones street. He was arrested by Sheriff W. A. Huber, of Cherokee county, who had set traps for the thieves at Cherokee, Larrabee and Storm Lake, acting on clues furnished by Clarence Fessler, a Larrabee garage man. Olson's auto was taken from the curb at the Orpheum theater, March 10. The Sioux City police were notified, but were unable to locate the car or thieves. A machine with three occupants became "stalled" five miles north of Larrabee, March 11. Fessler was called and pulled the car to his garage. It was left there for repairs. Both gasoline and oil had been exhausted. Subsequently, a man said to be Johnson telephoned Fessler from Storm Lake, asking him to drive the car to Cherokee. In the meantime, through Sheriff Huber, the machine had been identified and turned over to Olson. When Johnson arrived in Cherokee he was arrested. He denied connection with the car theft, but was identified by Fessler as one of the three men whom he hauled to the garage. Duncan Campbell, of Cherokee, also asserted that Johnson was one of the trio which boarded the train after the auto was abandoned. A bunch of fourteen automobile keys of different makes was found in Johnson's pocket. A revolver was also found, and a charge of carrying a concealed weapon is being held in abeyance at Cherokee, pending action against the prisoner here on the more serious charge. Belief was expressed by the authorities at Cherokee that the car was being taken by the thieves to some "fence." At a mass meeting of the liberal voters of South Sioux City last evening, Mayor C. J. Kloster announced his intention of not seeking reelection and former Councilman A. B. Cownie was named to head the ticket as his successor. Mr. Cownie accepted the nomination and declared his intention to make a vigorous campaign. H. A. Phillips will be the liberal candidate for city clerk. The "wets" selected the following as candidates for ward councilmen: First ward, Fred A. Gordon; Second ward, Carl Jensen; Third ward, John Jenkins. Councilman Fred Martin, who presided at the meeting, declined to be a candidate for reelection. All of these candidates will file nomination papers in the usual way, the law requiring that they be in the hands of the city clerk ten days before the election, which will be held on April 4. The liberal candidates in a tentative platform outlined at the meeting will go before the voters as op-

posed to an open retail saloon, but as favoring the granting of licenses to wholesale liquor concerns who will sell only in original packages. They state in the platform that they favor this character of license because no undesirable conditions will be possible in the city and because the revenue, which is estimated at \$15,000 annually, will enable the city to make many needed improvements. It is pointed out that at present the school district has a debt of \$45,000, and the city a debt of \$45,000. The "dry" forces will support D. G. Evans for mayor, O. W. Martin for city clerk, J. H. Mullins for city treasurer and W. H. Bradford for city engineer. The "drys" have selected the following councilman candidates: First ward, E. O. Mendoloh; second ward, Nels Pilgrim; Third ward, Ed J. Metz. Neither of the factions will name a candidate for police judge. No candidate is available, as the office does not provide a salary.

Sioux City Journal, 18: Dr. T. W. Bartlett, one of Sioux City's oldest physicians in point of service, who has been spending the winter in California for his health, last week took his first ride in a seaplane. Information concerning Dr. Bartlett's flight was received yesterday in a letter to Mrs. Bartlett. According to the letter Dr. Bartlett and his sister, Mrs. Abbie Young, were visiting friends at Long Beach. An aviator was giving exhibition flights near where they were staying. He had been in the air for some time, and as he descended one of the party dared Dr. Bartlett to go for a fly. When the plane reached the earth the aviator agreed to take the doctor up. Dr. Bartlett in his letter said he put on an aviator's coat and climbed into the car. He did not know how high they went, but said that the land and buildings became indistinguishable. A new top price for this year to date was established on the local fat cattle market yesterday morning when seventeen head of prime steers, averaging 1,350 pounds, crossed the scales for \$9.50, or a quarter above the year's previous high mark. Fourteen heifers also were included in the consignment that were good enough to sell at \$8.10, right up to the season's snmmat price on such cattle, while cows commanded \$7.00. Larsen Bros., stock raisers of Hubbard, Neb., marketed the cattle. Hans Larsen accompanied the shipment. Their entire cattle holdings are Herefords. The steers here today had been in the feed yards on a ration of corn and alfalfa since last October, although the heifers and cows had not fed quite that long. During the period on feed all of the cattle made big gains in weight, Mr. Larsen asserted, while the sale was highly satisfactory. C. J. Kloster, mayor of South Sioux City, was renominated last evening at a mass meeting of the liberal voters of the city. He will head a ticket favoring the granting of liquor licen-

Candidate for the Republican Nomination for United States Senator.

JOHN L. KENNEDY.

Endorsed by leading Republicans and Republican newspapers of Nebraska as the logical candidate to nominate. His nomination means his election.

Mogul 8-16 Saves Its Own Price In Fuel Bill Reduction

THAT'S true. A Mogul 8-16 kerosene tractor saves its own price in fuel bill saving, as compared with a gasoline tractor.

Until April 1st the price remains at \$675 cash f. o. b. Chicago. Fortunate early purchases of material still allow you this low figure. After April 1st the price will be \$725, same terms.

At either price the Mogul 8-16 is by far the most economical tractor because it operates on cheap, common kerosene or coal oil. Gasoline to run the gasoline tractor costs over 100 per cent more than the kerosene a Mogul 8-16 will use. Which is best for you?

You know what gasoline costs you, and you know what you pay for kerosene. Figure it out yourself, or see your dealer. This is a saving you can't afford to miss.
