Ponca Advocate: Mrs. Rakow went down to Jackson last Friday to visit her son.

Wynot Tribune: Mrs. E. J. Morin was a passenger to Dakota City Tuesday. John Johns and family are riding around in a new Ford touring car.

Dixon Journal: Mrs. I. H. Pilgrim and two sons, of Sioux City, were week end guests at the A. B. Rich home. Mrs. Pilgrim is a sister of Mrs. Rich.

Sioux City Journal 22: Mrs. G. L. Lillie and children, who spent the winter in the D. C. Stinson home, have departed for their home at Maxbass, N. D.

Martinsburg Items in Ponca Journal: Guy Anderson, of Hubbard, was calling on relatives and friends here last week. Mr. and Mrs. Ed Bedford, of South Sioux City, is visiting at the L. N. Mappes home.

Lyons Mirror: M. M. Warner was called to Homer, Thursday to act as one of the pall bearers for Mrs. Thomas Ashford, sr. The Ashfords were our old pioneer neighbors in Dakota county. Mrs. Warner and daughter, Mary, accompanied him.

Sioux City Journal, 21: W. Bartels, of Hubbard, Neb., had a consignment of cattle on Thursday's trade that sold at satisfactory prices. Some 2-year-old heifers in the shipment brought \$10.15, while a pack of mixed steers and heifers were good enough to land bids of \$8.50.

Sioux City Journal, 25: Born, in South Sioux City, Neb., Saturday, April 22, 1916, to Mr. and Mrs. H. P. Fouts, a daughter. The condition of Mrs. Walter Miller, of Dakota City, who underwent an operation at the St. Joseph's hospital Sunday night, showed improvement last night.

Ponca Journal: The high school base ball team from Dakota City drove through here in cars Saturday morning on their way to Newcastle where they expected to stage a game, but owing to the dampness it was postponed. They then made a return trip here expecting to play the game that had been postponed the week before on account of the rain, but again owing to the rain there was no game and the boys departed for home through the mud without a single game.

Tekamah Herald: Since W. P. Warner is the republican nominee for congress in this the Third district, it will make our friend Congressman Stephens think that he has had a "hoss race" before the campaign closes in November. Mr. Stephens' treatment of his party newspapers has made many of them hostile and they will accord him very little or no support. Then his vote on the McLemore resolution was offensive to many loyal Americans. It is an attempt by a few in the house of representatives to invade and usurp the proper function of President Wilson in conducting his diplomatic correspondence with foreign nations.

Sioux City Journal, 20: The wedding of Miss Ruth Kline, daughter of Mr. and Mrs. E. A. Kline, to Mr. Harold Bridenbaugh took place at noon yesterday in the home of the bride's parents at Morningside. Miss Lovice Strobel sang during the ceremony, which was performed by Rev. Charles E. Tower before members of the immediate families and intimate friends of the couple. The bride was gowned in a simple traveling costume of gray silk, with hat to match. After the service a dinner was served to the guests at a long table appointed in the wedding colors, pink and white, and centered with a basket of roses. After a short wedding trip Mr. and Mrs. Bridenbaugh will make their home near Dakota City.

Sioux City Journal, 24: No bill for legal services rendered by former Judge R. E. Evans and W. J. Steuteville in the mandamus proceedings before the district court at Dakota City over the submission of the saloon question at the South Sioux City election has been filed with the city council, according to Councilman Fred Martin. The two attorneys assisted City Attorney Ward Evans during the entire trial, which lasted two days. Councilman Martin said that he did not believe any effort will be made to have the city stand the additional expense.

FRANK F. HAASE
EMERSON, NEBRASKA.

Republican Nominee at the Primary for State Senator from the Sixth Senatorial District, composed of the counties of Burt, Thurston, Dakota and Dixon.

The councilman said it was understood the fees of the attorneys were paid by subscription among the "drys," who did not want the license question voted on at the election. The last session of the old city council will be held next Saturday night. Reports will be submitted by the various city officers, and old claims and bills will be disposed of. Mayor D. G. Evans and the new members of the city council will take office at a meeting the first Tuesday in May. No effort will be made toward the passage of an ordinance licensing retail or family liquor stores. Hose purchased by the city for volunteer hose company No. 1 in the first ward was given a test yesterday afternoon by members of the company under direction of Capt. Fred Martin, jr. Fire Chief Chief Frank Hogan witnessed the test. The company was organized three months ago and has thirteen members.

Box Scores in the Journal

The State Journal has announced that it will carry full box scores of National, American and Western league games throughout the baseball season. This means that readers of the Journal who are lovers of the great national pastime are to be given the best there is in baseball reporting. For the fan who is unable to attend the game in person there is nothing so satisfying as baseball statistics in this form.
The Evening News also begins, with the opening of the Western League, to issue a 6 o'clock Sport Extra. This will be a peach colored sport sheet detailing the league games and latest in war bulletins, for sale on the streets.
The Journal is now selling at a remarkably low price, \$3.50 a year with the Sunday Journal and its colored comic and special features; or \$2 a year without the Sunday paper. In cities where the Evening News can give the readers better service, the News may be substituted at the same price as that quoted for the Journal.
In addition to base ball, which promises to be an all-absorbing topic in many circles for some months to come, thousands of readers will want to follow the political conventions and the fall election. A year's subscription to the Journal carries the subscriber through the next session of the Legislature. The thoroughness with which the Journal "covers" the legislature is a by-word among newspaper men and laymen the state over. Then there is the great European war and the Mexican difficulty.
The Sunday Journal carries many features of state interest, such as its recently added state news page devoted to social and allied events, sent in by the Journal's large staff of state correspondents. The colored comic is a great thing for the children and Brisky and Zapp, the funny philosophers, will thoroughly amuse the grown-ups.
The price is small, so write at once. Address

'Our Customers, Your Patients'

The following letter is self-explanatory and shows how the distillers view their own business. It is no wonder that Senator Borah said of the man who wrote this letter, "if he was not an idiot, he would be a criminal."
"KENTUCKY DISTILLERS' AND DISTRIBUTING COMPANY
"Kansas City, Mo., December 3, 1913.
"Keeley Institute,
"Dwight, Illinois.
"Gentlemen:
"Our customers are your prospective patients. We can put on your desk a mailing list of over 50,000 individual consumers of liquor. The list is the result of thousands of dollars of advertising.
"Each individual on the list is a regular user of liquor.
"The list of names is new, live and active. We know because we have circularized it regularly. We furnish this list in quantities at the prices listed below. Remittances to accompany each order.
"40,000 to 50,000.....\$400
"20,000.....300
