DAKOTA CITY-SALEM

We are pleased with the way our boys and girls took to the idea of a celebration at Salem. It surely will be a pleasant time, for when we are together we have that sort. We will have to have some races and contests of some sort, and that will be arranged, for when a couple of boys get their heads together at Carl Anderson's. they can figure out something of that sort in a little while. And the pastor is but a big boy, and you might be surprised to find some other big boys who can get into the game and help.
