### RUMORS CAUSE AN ADVANCE CARRIES MESSAGE TOWILSON

Progress, Rail Advices Show, and Expectation is that Harvesting Soon Will Become General.

Western Newspaper Union News Service. Sloux City, Ia.-Cutting or winter wheat is in progress in many sections of the Sioux City trade territory, according to C. N. Curtis, division freight and passenger agent of the Milwaukee railroad, who has just made a trip over his division of the road. Some fields of wheat are already cut and harvesting is well under way. Reports that he has received from stations over the division indicate that the yield will be good, if the weather remains favorable for cutting. Weather conditions have been ideal for all

Reports from the northwest grain territory that black rust is doing damage to wheat caused the wheat market to advance sharply the first of the week. Grain men have declared, of about 3-inch caliber. No torpede however, that there is no truth in black rust reports throughout this trade territory. M. King, a member of the Sloux City Board of Trade, said rine has a speed of from two to three that the wheat in this vicinity is too knots an hour more than the average far advanced to be affected to any extent by black rust, unless weather conditions take a fudden turn.

With the temperatures remaining high, it is predicted that some of the early cut grain will be thrashed in a week. It is damp, soggy weather that is favorable to black rust.

Sloux City grain men expressed the bellef that rust conditions have been exaggerated. The reports which started the upturn in wheat indicated that damage was being done in the northwest, similar to the rust visitation of 1904. Denials have been isgued.

### 90,000 MORE TO GO.

Maj. Gen. Wood Says Only 43,000 Have Gone to Front.

York.-Maj. Gen. Leonard Wood, commander of the department of the east, announced July 10 that after three weeks and a day since President Wilson's orders for mobilization of the national guard only 43,-000 men have been sent to the front out of a possible 130,000 in his command of twenty-two states and the district of Columbia. This means, he declared, that there are 90,000 men yet to be sent to the border.

Gen. Wood asserted that there are now in camp about 41,000 men, and that the difference between 41,000 men and 90,000, which would be the full war strength of the commands, is as yet to be enlisted and enrolled into the federal service.

Entered as Merchant Ship.

Baltimore, Md.-The daring German seamen who brought the submarine merchantman Deutschland across the Atlantic slept quietly the night of July 10 aboard their vessel, which lay moored to a carefully screened pier guarded by a strong squad of Baltimore police. Capt. Paul Koenig, the skipper, had delivered his papers to the North German Lloyd office, entered his vessel at the custom house as a commerce carrier and had presented to a German embassy official a packet of correspondence for Count von Bernstorff. One of Capt. Koenig's first acts after he moved his ship up the harbor from quarantine was to announce that the Deutschland was but one of a fleet of mammoth submarines built or building for a regular trans-Atlantic freight and mail service.

Atlanta, Ga.-Lowlands in six southern states July 10 were covered by high waters of streams which had overflowed under almost continual rainfall for several days. # LIST OF THE STATE PRIMARY NOMINEES

CLASSIFIED ROSTER OF PROS-PECTIVE CANDIDATES.

# SOME ARE ON BOTH TICKETS

Secretary of State Gathers Names of Political Aspirants for Legislative Honors at Fall Election.

Western Newspaper Union News Service. Secretary of State Pool has just completed a list of all the democratic and republican candidates for the two branches of the state legislature. In order to get some of the names it was necessary to write to county clerks and ask them who the candidates were in their respective districts.

One republican nominee for state senator, H. H. Meyer of Fontanelle, died, and it will devolve upon the party committees of Dodge and Washington counties to select some one else for this place on the ticket.

Two candidates for the state senate -Phil Kohl of Wayne and D. M. Douthett of Overton-have been nominated on both the democratic and republican tickets. The same is true of three candidates for the lower house-R. C. Regan of Platte Center, H. J. White of Ainsworth and W. L. Bates of Lodgepole.

In a few districts there are vacancies on one ticket or the other, but these may be filled before the ballots are printed.

The following are the democratic legislative candidates, with the district, the name and the home ad-
