## "Nervous exhaustion—blinding headache"

Striving to satisfy the demands of everyone is apt to affect the nerves, and continual standing may weaken the Heart.

Dr. Miles' Nervine is invaluable for Nervous troubles, and for the Heart

Dr. Miles' Heart Treatment is highly recommended.

LIVED IN MISERY.  
"I suffered greatly from nervousness and headaches. The least excitement gave me dreadful pain. I began using Dr. Miles' Nervine and a few days later started to take Dr. Miles' Heart Treatment. I soon got so much better that I was encouraged and continued taking the two remedies until I was so well that work was no bother to me at all."

## ESTES PARK, Rocky Mountain National

This magnificent vacation land, so near at hand, has been made a National Park and it certainly has every requisite for a National Summer playground. It is a region of forests, canyons, streams and lakes, a paradise of mountain air and wild flowers, a natural amphitheatre of 150 square miles, with snow-capped panoramic barriers,—Long's Peak, James' Peak, and the Continental Divide.

Burlington trains take you there quickly and at a small cost,—only \$27.00, generally speaking, from middle and eastern Nebraska to Estes Park. This includes rail and auto via Lyons or Loveland.

Over 50,000 tourists visited Estes Park last Summer. Colorado has hundreds of resorts, recreative places and automobile tours. You have every day the lowest possible rates to Denver, Colorado Springs and Estes Park. Arrange early for any accommodations that you will want in Colorado this coming summer. Let me help you.
