Catarrahal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running ear and the perfect hearing is lost. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. Sold by J. J. CHENEY & Co., Toledo, O.

Petitions are being prepared this week by the patrons of the school districts west of town for the consolidation of the school districts on the bottom. The intention is to form a district from portions of the several districts on the bottom and build a school building large enough to care for the pupils.

A number of freak vegetables have been on exhibition lately, among them being a carrot raised by C. N. Derry which was about two inches in diameter at each end. It had grown through a half inch hole in an old piece of iron, and the two were still inseparable. Another was a good sized potato with a stalk of grass growing through it.

Our boys who have gone to the front are offering all to fight for, for democracy and liberty. They have not asked "Is it a good investment?" They have said it is our duty. They have given up home, father, mother, brother, sister and sweetheart that their dear ones may be saved from the terrors that have come to those across the water. They are entitled to the best—food, clothes, ammunition—that the war may be ended quickly and they may return. It is up to us to see that they get the best. There is one way—the purchase of Liberty Bonds. Every reader of the Herald should have one or more Liberty Bonds. The big drive is on. Do your bit—BUY YOUR LIBERTY GOLD BOND TODAY.

Pure Bred Hog Sale.

Next Saturday afternoon, October 13th, the Crystal Lake Stock Farm will again make a pure bred stock sale. This time Mr. Evans is offering 25 big spring boars and 10 gilts and two fall sows with litters by their sides. The class of stock that Mr. Evans is breeding should find a very ready demand with his home trade.

His sow sale gave evidence of its worth when it attracted people for miles and miles around. These individuals sold then have made good and we predict a splendid sale for this date. There has been spared neither time nor money to make this offering compare favorably with the best in the middle west, and farmers and breeders in this community may profit by the class of stock sold. Truly, a boar is half the herd and you can't afford to use a poor one with corn near the \$2 mark.

BREEDING EWE LAMBS

Although the breeding of ewe lambs in the fall is not generally recommended, animal husbandry men at the University Farm believe that the threatened shortage of meats warrants the breeding of such lambs that were born in April or May. Both wool supply and meat supply would be increased by this measure, and little harm to the lambs should result. Lambs that weigh 100 pounds now certainly will suffer no injury. However, they should not be bred until late in the season. About 75 per cent of the flock will become pregnant if rams are allowed to range with ewelambs.

SCHOOL NOTES.

By Clarence Linton.

Angeline Hoch came back to school Monday after two weeks' absence.

Marie Sundt and Margaret Sanford were absent from school one day last week.

Mildred Linton is absent from school this week, having undergone an operation for the removal of tonsils and adenoids.

The first and second grades are working out a form on the sand table in correlation with their study of farm products in language.

Mable Sundt was absent from the fourth grade one day last week.

Wilbur Leamer left school Friday and will enter the South Sioux City schools, his parents having moved to that place.

The fourth grade took an excursion to the Missouri river Friday afternoon to do some sketching. Monday they sketched their view of the river from memory in a very creditable manner. They have been studying the Missouri river in their geography work for some time.

Mrs. Rose is keeping an honor roll for those neither absent or tardy. Those whose names remained on the roll throughout the month of November were: Clayton Hilborn, Lawrence Frederick, Gladys Frederick, Geraldine Heikes, Helen Smith, Henry Ream, and Rotha Munger, of the fifth grade, Kenneth Walden and Ernest Giese, of the sixth grade.

The fifth and sixth grade room received the quarter holiday for attendance last month and used the time in an excursion to the lake. The sixth grade outlined a theme on their excursion for the language work Monday and will develop the story during the next few days.

The seventh and eighth grades have been using the microscope in studying the blood and their language work is being correlated with this study and the study of narcotics.

The absentees for the high school during the past week were: George Biermann, Lola Heikes, Bennie Leech, Elizabeth Smith, Doris and Dorothy Barnett.

Nineteen copies of the Independent have been ordered by members of the high school for a period of three months for work in English and Civics as well as a study of current events.

The practice on the high school play is progressing nicely but the date has been postponed until Wednesday evening, October 17.

Several of the teachers will attend the teachers' meeting at Emerson Saturday.

Annual Meeting of Dakota County Chapter American Red Cross

There will be a meeting of the members of Dakota County Chapter American Red Cross at the court house hall Friday evening, October 12th, at 8 o'clock for the election of officers. All paid up members are entitled to vote, and are urgently requested to attend this meeting. The time for the annual election of Chapter officers is governed by the National Red Cross, and must be between the 1st and 15th of October of each year.

The Herald—1 year, \$1.

General Session, Opera House 1:30 P. M.

Supt. F. F. Gordon, Emerson, Presiding. Vocal Quartet, "Canoe Song," Marion Robinson, Neville Aifkin, Gretchen Charles, Marjorie Miller—Hartington Public Schools. "The Social Life of the Teacher," I. H. Britell, Wayne State Normal. Piano Solo—"Fantasia in C Minor," Juanita Finch, Hartington Public Schools. "What Can We Do for Our Rural Schools," W. H. Clemmons, State Supt. Vocal Solo—"Absent," Esther Blankenship, Hartington Public Schools.

ANNOUNCEMENTS

The Northeast Nebraska Teachers' Association is held to be one of the best in the state. It attracts the attention of an unusual number of people interested in such organizations.

The place of meeting being at Emerson, nearly every teacher in the district can conveniently attend at very little expense. No enrollment fee is charged.

The sectional meetings are, under the new plan, in charge of their respective chairmen, making the program to meet more than ever, the needs and interests of each class of teachers. It is the desire of every chairman that the teachers come determined to add some ideas and suggestions to those offered by those on the program. Teachers, you are, therefore, on the program, too.

The addresses at the general sessions will be full of inspiration. They will have value for all of us.

DINNER

The ladies of the English Lutheran church will serve dinner in their church dining hall. The Presbyterian ladies will serve in the basement of the Presbyterian church. The hotels and the various restaurants will also assist in caring for the teachers.
