

### Our Country's Telephone Needs Are Served First

At the entrance of this nation in the great war, the Bell Telephone System pledged its entire service, its equipment and its men, unreservedly, to the government.

The government's telephone calls are given right-of-way over private messages and the government's requirements for men, for switchboards, wire, telephones and other equipment are served ahead of private requests.

Won't you patriotically co-operate by asking only for equipment you must have, and make only such local or long distance calls as are absolutely necessary?

**To California:** The usual winter tourist fares via all routes. The Burlington can ticket you either via Denver, Scenic Colorado and Salt Lake, in through tourist sleeper service, or via Denver, the Santa Fe "Grand Canyon" line, also for the grand Coast tour including the Northwest.

Beautiful "Southland" publications, including the Burlington's Winter Tourist leaflet. With its main trunk lines to the Southeast, either via Denver, Kansas City, St. Louis or Chicago, the Burlington is essentially the route for Southern travel.

### BEATRICE LEADS IN UNI. FOOTBALL

GAGE COUNTY CAPITAL HAS FOUR PLAYERS ON THIS YEAR'S CORNHUSKER ELEVEN

### SECOND PLACE TO LINCOLN

Omaha, the Metropolis, Not Listed, While Small Cities and Towns Take Lead in Boosting Football Cause

Contrary to the popular belief, the larger cities of Nebraska do not contribute most of the athletic material from which the state university at Lincoln has been molding its victorious football teams of the past several years. As a matter of fact, Lincoln has slight representation on the Cornhusker gridiron squad of 1917, while Omaha has not so much as one athlete on the university football roster. The Nebraska team is an all-Nebraska aggregation, in which the smaller cities and towns predominate.

Of the twenty Cornhusker huskies who will battle for the honor of Nebraska in the coming big games at Lincoln with Iowa, Notre Dame, Missouri and Syracuse universities, with

Edson Shaw, Tecumseh Captain of State Uni Football Eleven

Michigan at Ann Arbor and with Kansas at Lawrence, all but three were Nebraska bred and born. Three other states—South Dakota, Oklahoma and Wisconsin—have representation on the Nebraska squad. The city in the Cornhusker state which leads in its contribution to the state university football forces is Beatrice, capital city of Gage county and the home of two famous Cornhusker captains—Leonard Purdy of 1913 and Dick Rutherford, 1915. Three of the 1917 Huskers are Beatrice boys, while a fourth learned his football at Beatrice high school.

Lincoln ranks second to Beatrice with two representatives, yet the capital city of the state gets no better than a tie with Furnas county, which has two players on the Cornhusker squad. Southeast Nebraska is the region of largest representation, yet Custer and Merrick counties of the central section have contributed to the Cornhusker cause, while Furnas county speaks up for the western portion of the state. The complete roster of first team players is as follows, the list including the home towns and counties of the players involved:

- John Cook, Beatrice, Gage.
- William Day, Beatrice, Gage.
- Paul Johnson, Gage, Butler.
- Albert Duteau, Green Bay, Wis.
- Ernest Hubka, Virginia, Gage.
- Stanley Henry, Swanton, Furnas.
- Sam Kellogg, Nebraska City, Otoe.
- W. Kriemalmeyer, Cambridge, Furnas.
- Ed. Kostitzky, Yankton, S. D.
- Harold McMahon, Lincoln, Lancaster.
- Wayne Munn, Fairbury, Jefferson.
- Hugo Otoupalik, David City, Butler.
- "Pee" Kiddell, Beatrice, Gage.
- Boscoe Rhodes, Ansley, Custer.
- Edson Shaw, Tecumseh, Johnson.
- Lawrence Shaw, Osceola, Polk.
- John E. Tetz, Bartley, Furnas.
- Richard L. Triplet, Ord, Oka.
- Harold Wilder, Central City, Merrick.
- Farley Young, Lincoln, Lancaster.

### NEBRASKA VS. NOTRE DAME

Big Gridiron Battle Booked for Oct. 20 in Lincoln.

Nebraska vs. Notre Dame—one of the important inter-sectional football combats of the 1917 season—is scheduled for Saturday, October 20, on the state university athletic field in Lincoln. A Nebraska victory means that the Cornhuskers would again take rating as one of the "big teams" in American football—a distinction the Huskers enjoyed after their triumph over Notre Dame two years ago.

Halfback Chamberlain, now coach and principal at Lexington, Neb., was the 60-centimetre howitzer of the Nebraska attack in the Cornhusker-Notre Dame battle in 1915. Two of Nebraska's touchdowns were scored by Chamberlain and the Huskers nosed out the Catholics, 20 to 19. Notre Dame won the 1916 game, as the Nebraska eleven had no brilliant running halfback of the Chamberlain type, but the 1917 Cornhusker aggregation again has the speedboys in the back field in McMahon, ex-Lincoln high; Kellogg, former Nebraska City high school star, and Schellenberg, ex-Beatrice high school.

Prospects for a winning team have taken on a pink hue and Cornhusker boosters at Lincoln not only expect Nebraska to drub Notre Dame, but to follow it up by defeating Michigan university at Ann Arbor on October 27, and to subsequently win from Syracuse university of New York in the big Thanksgiving day game on Nebraska field.

Notre Dame has presented a powerful aggregation every season during the past several years. The Catholic school has a great coach in Jesse Harper and his proteges two years ago whipped the West Point Army eleven—the team which previously had drubbed Yale.

**Catarrhal Deafness Cannot Be Cured** by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless this inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.
